On the basis of the letter of MOHUPA , Govt of India vide memo no- K-12012(13)/3/2017- UPA I section ( EFS:3146875) ( FLAG-X ) regarding Skill Training to members of SHGs, WBSULM has to collect information about the Training courses which would be suitable for women SHG members aged above 25 years and without and formal education .

National Urban Livelihoods Mission (NULM) has been started in new strategy of poverty alleviation women around community based institutions with a clear vision that *“To reduce poverty and vulnerability of the urban poor households by enabling them to access gainful self-employment and skilled wage employment opportunities, resulting in an appreciable improvement in their livelihoods on a sustainable basis, through building strong grassroots level institutions of the poor ”*.

The goal of this program is to promote savings- and credit activities, and to promote micro-enterprise development. This can lead to a strong and permanent improvement of their socio-economic conditions in a number of ways.

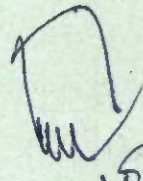

But , access to gainful self-employment and skilled wage employment opportunities is mainly depends on technical skill of the SHG members . It is very much true , SHGs are mainly women oriented and this section is poor and illiterate, many of SHG members do not hold any minimum qualification and therefore, imparting skill training to them under EST&P component is not feasible since most of the NSQF compliant courses prescribe a minimum educational qualification of 5<sup>th</sup> Standard Pass.

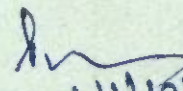

So, in this context ULB should propose to work out the details of training courses which would be suitable for women SHG members aged above 25 years and without any formal education .

So , a letter should be issued to the all ULB for the propose training courses for the women SHG members . Draft letter has been placed.

Proposal submitted for your kind approval and signature.
