Dated the 17th July, 2019

Dear *Shri Alok Kumar,*

The Ministry is implementing Deendayal Antyodaya Yojana – National Urban Livelihoods Mission (DAY-NULM) since 2014 with the aim to reduce the poverty and vulnerability of urban poor households. Building strong grass-root institutions of the urban poor is one of the key policy instruments of the Mission to tackle social vulnerability aspect of urban poverty. I am happy to inform you that today the DAY-NULM SHG Pariwar consists of over 38 lakhs urban poor households.

2. Since the out of pocket expenditure on treatment of illness is one of the important determinants of urban poverty, the Ministry has designed an impact intervention under the Mission called "Swasth SHG Pariwar which intends to link all eligible SHG members with the Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) and POSHAN scheme besides organising health check-up for all SHG members by 2nd October 2019. The implementation guidelines are attached.

3. This focused intervention directed towards SHG members is expected to substantially improve their access to quality healthcare in empanelled hospitals and improve their overall standard of living on a sustainable basis. This initiative would require inter-departmental coordination and participation covering Departments of Health, Women and Child Welfare and Municipal Administration/ Urban Development.

4. Therefore, I request you to use your good offices to direct the concerned line departments for the grand success of this noble cause in alleviation of urban poverty.

With Regards,

Yours Sincerely

(Sanjay Kumar)

Objectives

“Swasth SHG Pariwar (SSP)” initiative envisages the linking of all eligible SHG members to the benefits of Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana and Poshan Abhiyan and also proposes to organise health check-up camps for all SHG members.

Linking of Eligible SHG Members under Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana¹ and Poshan Abhiyan²

An exercise of identifying persons eligible for AB-PMJAY from the SECC 2011 (Urban) database and collecting additional information (ratio card number and mobile number) was carried out last year by the ULBs³.

ULBs should use all those nodal officers and other staff, who were involved in the exercise referred to above in addition to the NULM functionaries, Resource Organisations and community based organizations (ALFs, CLFs and Shehri Sahbhagita Manch) for the 100 days impactful intervention – “Swasth SHG Pariwar”.

The following process may be followed in order to link the eligible SHG members with the AB-PMJAY and Poshan Abhiyan:

1. Sensitization of ULB and NULM functionaries about AB-PMJAY & Poshan Abhiyan

- i. States shall organize workshop(s) at the state level of the functionaries of NULM, National Health Mission (NHM), Women and Child development and ULB officials to sensitize them about the objectives of SSP.

¹Ayushman Bharat is a centrally sponsored scheme, which covers the poor and vulnerable families by providing them with coverage up to 5 lakh rupees per family per year for secondary and tertiary care hospitalization.

ULB staff and NULM functionaries have already conducted such drive to identify and link eligible SHG members with Poshan Abhiyan during November 2018 to February 2019 during ShehriS amridhi Utsav (SSU). The idea is to repeat the exercise as per the following protocol:

- i. Rechecking whether all the SHG members linked with Poshan Abhiyan during SSU 2018-19, have received benefits under Poshan Abhiyan?

D.O.No.N-11025/03/2019-LSG

Dated, the 09th January, 2019

Dear Madam/Sir,

As you are aware, the Self Help Groups (SHGs) of the urban poor, primarily comprising of women members, are formed under the Deendayal Antyodaya Yojana - National Urban Livelihoods Mission (DAY-NULM). SHGs are further organized into Area Level Federations (ALFs) and City Level Federations (CLFs). This architecture of community-based organizations provides a strong platform for social empowerment, and also facilitates dissemination of government welfare programmes.

2. A need has been felt to create a systematic process for participation of these collectives of the urban poor in resolution of gaps in the implementation of the mission and local urban issues concerning them. At the same time, Urban Local Bodies (ULBs) need a mechanism to identify gaps in provision of basic urban services in urban poor settlements, and coverage of government entitlements.

3. With these dual objectives, the Ministry of Housing & Urban Affairs had proposed to establish a platform named '*Shehri Sahbhagita Manch*' in all cities where DAY-NULM is being implemented. This platform would leverage the community-based organizations formed under DAY-NULM, to create a mechanism for participatory urban governance.

4. With a view to facilitate the establishment and functioning of *Shehri Sahbhagita Manch*, it is suggested to follow the process as indicated below:

i. *Shehri Sahbhagita Manch* to be constituted at the city level comprising of the following members -

- a. Mayor/ Chairperson
- b. Municipal Commissioner/ Chief Officer/ Executive Officer
- c. Executive Committee members of City Level Federations (OR at least 15 representatives from ALFs if CLFs are not functional)
- d. Lead Bank Manager
- e. Officer in charge of DAY-NULM
- f. Heads of the following Municipal wings - Engineering, Sanitation, Solid Waste Management,
- g. Heads of the departments at the ULB , viz. Women and Child Welfare, Primary education, Health

Subject: Advisory to States on Adoption of Shelters for Urban Homeless by local Colleges - Shehri Samridhi Utsav, February 2019.

Sir,

I am directed to refer Joint Secretary (NULM)'s DO Letter no. O-17024/187/2018-UPA-I-UD dated October, 2018 (enclosed) regarding celebrating DAY-NULM 'Pakwada' by organizing "Shehri Samridhi Utsav" during the first fortnight of February, 2019.

2. As per Clause 13.6, of Shelters for the Urban Homeless (SUH) guidelines, *"Every shelter should be linked with a high school or college, so that the students can engage with the residents of the shelters, ensuring quality of the shelters, and learning community service."* Accordingly, States are advised to ensure that all shelters established under Shelters for the Urban Homeless (SUH) component of DAY-NULM to be mapped to a degree/intermediate college located nearby. Adoption of shelters by colleges would lead to better implementation and transparency in addition to creating a healthy interactive environment for shelter residents and a good learning experience for college students.
3. Indicative list of activities to be taken up by college students may include-
 - i. Mobilization drive by students to bring identified urban homeless to the shelters
 - ii. Fortnightly visits on rotation by student volunteers
 - iii. Listening and documenting the stories of residents
 - iv. Celebrating festivals with shelter residents
 - v. Outings/walks with elderly residents
 - vi. Prepare reports on the shelter facilities with photographs and stories of residents
4. The first round of visits by student to be organized during the Shehri Samridhi Utsav. States should send a list of colleges mapped to each shelter, by 15th November 2018.
5. Students' reports on gaps in management of the scheme and shelter facilities will be submitted to shelter management committees and the Executive Committees of the ULBs. ULBs should ensure that the Executive Committee

deliberates on the issues raised by the students in their meetings which are to be convened as per the Mission guidelines.

Subject: Advisory on strengthening safety net for the urban poor activity under Shehri Samridhi Utsav, February 2019.

Sir,

I am directed to refer Joint Secretary (NULM)'s DO Letter no. O-17024/187/2018-UPA-I-UD dated October, 2018 regarding celebrating DAY-NULM 'Pakwada' by organizing "Shehri Samridhi Utsav" during the first fortnight of February, 2019. As you are aware that there are a number of Government of India Schemes that can benefit the urban poor population. States are advised to ensure that all SHG members under DAY-NULM are linked to these schemes.

As per clause 23 of the SMID guidelines, "In order to bring the beneficiaries of DAY-NULM within the ambit of social insurance and to provide coverage from risks/uncertainties viz: death, accident, disability, hospitalization & retirement, the respective SULMs will ensure facilitation of low-cost insurance products/services including micro-pension to the potential beneficiaries."

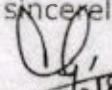

2. Besides insurance, other schemes for housing, sanitation, financial inclusion, nutrition etc. also have benefits for which DAY-NULM beneficiaries are eligible (See Annexure I for an indicative list of schemes).
3. In order to identify those SHG members who are not covered under the relevant schemes, a survey needs to be conducted. The survey for identification of SHG members would be kicked off by 1st November 2018 and the data on identification of SHG members not having access to any of these programs, should be shared by States with MoHUA by 1st December 2018. Community Organizers (COs), Resource Organizations (ROs) and Area Level Federations (ALFs) may be engaged to conduct the survey.
4. SULMs would then coordinate with the concerned State departments and provide these critical linkages in a time bound manner. All paperwork to include SHG members as beneficiaries in the relevant schemes should be done during the preparatory period, as per the activity schedule indicated below. During the DAY-NULM Pakhwada in February 2019, camps would be organized for distributing benefits to the eligible members.
5. Steps to be followed with indicative timelines -

File No.O-17024/187/2018-UPA-I-UD
