On the basis of Note Sheet vide no- U.O.NO.SUDA 735/16 dated 27/09/2016 WBSUL had sent 4 approved the proposals dtd. 26.10.2016 with memo no-85/2014/(pt-I)/1855 for NOC from three respective ULBs.

Among Three ULBs only **Kolkata Municipal Corporation (KMC)** has only sent approval with NOC on vide memo 313/NULM/SE&UP/2016-17 dated 14.12.2016.

Under KMC , these two Organizations are:-

1. **GARDEN REACH BANGLA BASTI ACADEMIC DEVELOPMENT SOCIETY**
2. **Ramnagar Lane Forum of Revolution for Communities Education (RNL FORCE)**

**The project Details of two Innovative projects as below:-**

- 1) **Ramnagar Lane Forum of Revolution for Communities Education (RNL FORCE)** has submitted a proposal for Skill formation & Rehabilitation of 150 destitute women by holding a local trade "Kite Stick making" **Kolkata Municipal Corporation** .
- 2) **GARDEN REACH BANGLA BASTI ACADEMIC DEVELOPMENT SOCIETY** has submitted a proposal for manufacturing of female sanitary napkins in Budge Budge Municipality area" **Kolkata Municipal Corporation** .

After the NOC of Kolkata Municipal Corporation (KMC) , WBSULM has visited the organizations for the final verifications. After the final verifications , now WBSULM has to be sent the guideline to the GoI.

Here As per NULM Guideline after the approval of the WBSULM all proposals under Innovative and Special project will be send to the mission director , NULM for consideration and sanction by the **Project Approval Committee (PAC)**.

So After ULB's approval and NOC , These Two project proposals under on I&SP components of NULM may be forwarded to the

HUPA Ministry for review & approval of the aforesaid four projects by Project Approval Committee (PAC).

The Guideline of ISP has been tagged (X) here .

So Project proposal may be approved by Hon'ble MIC UD&MA deptt .

Put up for perusal and necessary approval please.

- ✓ The details of programmes with which convergence will be done
- ✓ Possibility for obtaining space from ULB or utilizing existing infrastructure with the agency may be explored
- ✓ Project activities, milestones and outcome-wise funding installments may be provided in the format attached.

Garden Reach Bangla Basti Academic Development Society has been re-submitted the proposal with rectifications the identified issued .

These Issues are :-

**Issues rectified :-** on the basis of the Garden Reach Bangla Basti Academic Development Society the Organization has been submitted with updating all issues .

**Issues –I :-** The details of area and reasons behind the selection of area has been rectified in the project proposal .

The organization selected Slum areas of Ward no. 133 to 141 under Kolkata Municipal Corporation which will be the target area. Special emphasis shall be given on those areas where the garbage is dumped.

They also clarify the reasons behind the selection of the area in detail in the proposal. As per their views the area is identified because Garden Reach / Metiabruz are very much congested and the density of population is too high. In fact, people from different areas of the country gathered here in connection with earning money from various activities of the Kolkata Port and the Jute Mills existed in the surroundings of the Port area.

**Issues –II :-** The Details courses, curriculum has been updated in the project . it is MES / NSQF certified Courses. Here the organization also mentioned the certification details also.

The organization intends to take up two trades under the Sector “**Jute Diversified Products**”. These are :

- I. JUTE BRAIDED PRODUCT MAKER (JTD-101 under MES for 160 hours duration)
- II. DESIGNER CUM MAKER OF FABRIC BAGS (JTD-205 under MES for 160 hours duration)

The Details courses, curriculum has been given in the proposal also .

**Issues –III :-** The reasons for proposing centralized as well as decentralized training centres along with the details of the machines proposed to be used has been mentioned in the proposal . As per their clarifications --

The target groups are residing in scattered places in between nine no. of KMC Wards and the distance of one place to other place is quite spread out. Secondly, the target groups have to perform their regular household duties and they would work only after finishing their domestic obligations. After all that, it will be a problem for them to travel more distance which involves

a costing too. Over and above, arranging a production center for all the 100 beneficiaries requires a large area which is not possible to avail. Therefore two decentralized Production Center has been proposed.

Apart from the main Training Center hired for the purpose of training of all the 100 candidates, arrangement for setting up of two decentralized Production Center shall be made "**Production Centers on Jute Products**" shall be made effective from the thirteenth month and all the candidates trained during 1<sup>st</sup> year shall use these centers for production.

**Issues -IV :-** A detail of implementation strategy also described here .

All the beneficiaries shall be organized to a total of 10 Groups and the members in each group shall vary from 10 members in each group. These 10 groups shall form their Apex Body (in the model of SM & ID component under DAY-NULM Program) in which two members from each group shall represent. This Apex Group shall become a registered body (Under Societies Registration Act or Cooperative Act of the Govt.) with their own bye laws.

**Issues -V :-** The organization has given details of sourcing raw materials and market linkage for sale of product .

As regards sourcing of raw materials for the training as well as of production in the later stage it will be worth mentioning that West Bengal, especially the Howrah, Hooghly and some districts under North Bengal are the major jute producing places in the country and their production is supplied to various other provinces on demand. However, in respect of this particular program, raw materials shall be purchased from the Kolkata market. For the purpose of marketing of the produced items we are in the process of building up relationship with the following leading Marketing Agencies of Kolkata and surroundings, they are :

- i. JUTE Smart, Andul Road, Howrah, WB, Leading whole seller of Jute bags
- ii. Churiwal Techno pack private Ltd., Brabourne Road, Kolkata
- iii. Ganges Jute Private Ltd., Chatterjee International Building, Kolkata-700071

iv. Green packaging industries pvt. Ltd. Camac Street -Kolkata

**Issues -VI :-** Clarifications of the ownership of production centres has been clarified here.

All the beneficiaries shall be self employed through working in the Production Centers being arranged for them. The production centers shall be run and maintained by the beneficiaries themselves and the profit, availed thereon, shall be proportionately distributed among the members.

**Issues -VII :-** The beneficiary or the target member of the project will started to earn Rs. 4140 /- at the beginning of the 1<sup>st</sup> month and gradually it will be increased to Rs. 22,945/- at the end of the 36<sup>th</sup> month .

**Issues -VII :-** Project activities and milestone also clarified here. This activity has divided quarterly with cost and activity. Beneficiary earning activity also clarified here.

**Viability of the Project :-**

**Firstly :-** The project is the based on "Livelihood Security for the Women & Girls Breathing through Rag-Picking Profession" of the area and live in the scattered way . It can not be possible to by only forming Groups through SM&ID component under NULM

**Secondly :-** All beneficiaries of the project will go through the specific training and thereafter will engage for self- employment . The organization will engage them with self employment with other organization .

**Thirdly :-** The beneficiaries will have their own production centre for their own business centre .

**Fourthly :-** All beneficiaries of the project will sell their materials to the established business agencies around Kolkata.

**Lastly:-** All beneficiaries will started to earn Rs. 4140 at the beginning of the 1<sup>st</sup> month and gradually it will be increased to Rs. 22945/- at the end of the 36<sup>th</sup> month .

So , Now these two project proposals under on I&SP components of NULM may be forwarded to the MoHUPA for review & approval of the aforesaid the project by Project Approval Committee (PAC).

Put up for perusal and necessary approval please.

**Relevance of the sending the project proposal to GoI :-**

In our State , only one proposal of Indian Institute of Cerebral Palsy , Taratola ( IICP) , has been approved by the GoI for the year of 2015-2016 & 2016-2017 .

Last year ( 2016-2017 ) only this two Proposals has been sent to the Govt of India for the approval of the PAC Committee . GoI has asked on I&SP Project of RNL Force and Garden Reach Bangla Basti Academic Development Society to furnished some issues on this memo number ( mentioned beginning of the proposal – page - 18 )

**Guideline and I&SP Project :-** As per the Guideline WBSULM did not able to reach to the all target groups . As per the I&SP guideline WBSULM may utilize 5% of the total central fund . The Details of Central Grant has given below and total amount in respect of % may Utilize in the Innovative and Special project has given below.

Year	Amount	In respect 5%
2014-2015	344202000	17210100
2015-2016	193059000	9652950
2016-2017	83085000	4154250
2017-2018	291900000	14595000
2018-2019	257500000	12875000
<b>Total</b>	<b>1169746000</b>	<b>5,84,87,300</b>

Only one proposal has been of IICP with the project cost Rs. 8,72,500 (8 lakh 72 thousand 500 ) for two years .

*This year WBSULM may use as project cost Rs. Rs. 1,28,75,000 for this Component which is 100% central share.*

If GOI sanction this two proposals , then WBSULM may able to receive the amount of 24 lac 99 thousand 700 as Central Grant for the year of 2018-2019.

NGO	Total Project Cost
Bangla Basti	
R.N.L Force	2394700
<b>Total</b>	<b>105000</b>
	<b>24,99,700</b>

So , Now these two revised project proposals under on I&SP components of NULM may be forwarded to the MoHUPA for review & approval of the aforesaid the project by Project Approval Committee (PAC).

Put up for perusal and necessary approval please.

~~SM&ID~~

As per Guideline of I&SP project , Para -6 , Before sending proposals to the GoI for the approval of the PAC committee . Based on the guideline a systematic procedure maintained at state Level for approval of the Projects .

1. A team comprising JD -SUDA , PME ( SUDA) , Advisor SUDA , SMM-SM&ID and PC ( SUDA) examined these project proposals and validate it dated on 16.05.2016
2. 4 organizations Present their Projects and the committee requested to re-submit the proposals again with the rectifications .
3. After rechecking all proposal , only two among them resubmitted their proposals with the NoC of Municipality .
4. Two project proposals of RNL force and Banglabasti were sent to GoI for PAC committee approval dated on 13.02.2017
5. GoI requested to WBSULM to Re-submit the proposal of RNL force with some observations dated on 11.08.2017
6. GoI requested to WBSULM to Re-submit the proposal of Garden Reach Bangla Basti with some observations dated on 16.10.2017
7. The committee member and Respective officer Examined both proposals and finally Re-submitted the proposals to WBSULM .

1 A [ So , Now these two revised project proposals of I&SP component under NULM may be forwarded to the MoHUPA for review & approval of the aforesaid the project by Project Approval Committee (PAC).

In the to our earlier note in NSP.1, it may be mentioned that subsequent communication was made in this respect with HUPA Ministry, Govt. As per the said communication, a copy of the proposal submitted by Indira Institute of Central Palay (IICP) has been mailed to this office. The copy of the proposal alongwith the communication made are put up in the file for your kind perusal (Flagged - X)

From the telephonic conversation made, it has been learnt that the copy of the proposal has been sent by HUPA Ministry to MA Deptt & the scheduled meeting on 2/9/14 is being held for a preliminary round discussion on the project in presence of State & the concerned ULB.

In this regard, H. Secy. MOHUPA spoke to Director, SUSA this morning & requested participat. of the State in the meeting on 2/9/14 in Delhi. The project proposal, as is learnt, will be submitted in further details by the concerned NGO to the State which <sup>the same</sup> will be subsequently submit to the HUPA Ministry for necessary approval after examining the same submitted.

Director

& Chairman, SUDA

No. SUDA: 91/15  
Dt. 26/5/15  
Pdt. 25/2015

**Sub: Innovative and Special Projects proposal under NULM : Approved project of IICP**

Sri A.K. Singh, Under Secretary, Ministry of Housing & Urban Poverty Alleviation, Government of India vide No. K-14015/1/2015-UPA/FTS-12299 dated 07.09.2015 (CP-1) informed the Direct SUDA that the Project viz. 'Skill Development for Sustainable Income Generation, West Bengal (CP-2 to CP-18)' submitted by Indian Institute of Cerebral Palsy (IICP) a forwarded/recommended by Government of West Bengal vide letter no. SUDA-85/2014/17 dated 02.01.2014 has been approved by the Project Approval Committee of the Ministry in meeting held on 02.6.2015 for implementation as I&SP Project under National Urban Livelihoods Mission (NULM) at a cost of Rs. 872500/- to be completed in 2 years along with activity plan and milestone of fund release schedule of the project submitted.

In this connection, he has requested to enter into a Memorandum of Agreement (MoA) prescribed in the Operational Guidelines of I&SP Project under NULM (CP-19 to CP-25), with the IICP for immediate implementation of the project. After receiving the information on signing the MoA and start of the project, the Ministry will release the fund in accordance with the milestones prescribed for the same approved by the Ministry.

Hence considering the above issues and as per guideline of I&SP Project, following actions may be taken up:

1. To enter into a Memorandum of Agreement (MoA) between West Bengal State Urban Livelihoods Mission (WBSULM) and Indian Institute of Cerebral Palsy (IICP) for implementation of the Project viz. 'Skill Development for Sustainable Income Generation, West Bengal'. The **Draft MoA** is placed in **CP-32 to CP-48** for kind approval.

If approved, a draft letter for calling IICP at SUDA for signing the MoA is placed in **CP-4** for kind approval.

2. In the Operational Guideline of I&SP Project, it is mentioned that (please see CP-29)
  - i) The SULM will be required to maintain a separate account for funds released under this component. As funds released to the State Governments/SULM under this component are meant for particular projects, therefore the release of Grants-in-Aid to States for implementation of other components of NULM will not depend on the utilization of funds released for projects under I&SP component.
  - ii) Audit of the approved I&SP project is required to be carried by an Auditor (Chartered Accountant) appointed for the purpose. The audit may preferably be done through a Chartered Accountant empanelled by the CAG or the Income Tax Department.
  - iii) The interest amount accrued on the deposits of the I&SP Project funds in Banks at State and Implementing Agency levels shall be treated as part of the Project funds and shall be utilized on Project activities only. Accordingly, the interest earned on funds should be shown separately and should be added to the available funds while claiming subsequent installments.

Hence, a **separate Bank Account** may be opened by WBSULM for I&SP Project under NULM.

Placed for kind approval. If approved, Accounts Section may be requested for initiating further action.
