Perused the note of OSD and the ext. while Add Director, in n-sp- 11212.

The guideline issued by the MoHUA GOI, vide P.No K-14014/58(9)/2012 UPA, in respect of capacity building and training is silent about the upper age limit. i.e. it is not ~~not~~ indicative of termination of such contractual engagement at the juncture of attaining 60 yrs of age. Therefore the GOI could -13

guide line does not explicitly prevents such engagement beyond 60 yrs of age

Here it is pertinent to mention that the state govt has been allowing re-employment by High power committee upto the age of 65 yrs. and the State govt has allowed the different Corporations/undertakings/statutory bodies to engage personnel contractually upto the age of 64 yrs and mandated termination at the age of 65 yrs

Now, if the employee/H-R concerned is found physically fit & mentally alert and if the chairman is satisfied about his sincerity, devotion and efficiency & integrity, then we may consider engagement contractually even after attaining 60 yrs of age for a period of 01 (one) year for the time being.
