সুডা

It may be noted that total 35 shelters were sanctioned under the scheme shelter for urban homeless under NULM in different ULB. Till now out of these 35 shelters, 6 shelters are functionally one shelter unit is completed and rest of the shelters are various stages of construction and tender process. It has been observed from the report available at this office that progress of some shelters in different ULB are very slow and process of tendering is slow in many ULBs. It may be mentioned that as per DPR of SUDA the time period of completion of construction is one year from the commencement of work. Under these circumstances a review meeting may be held to review the progress of the work of SUDA on 19.12.17 with ULBs where progress of work is very slow.

Necessary logistic arrangements may be made for this meeting on that day and arrangement of conference hall on 19.12.17 at 11.0 am.

A draft letter may be sent to the ULBs for the review meeting ~~to place~~ ~~to~~.

Draft for the same is submitted for your kind perusal.

Sir,

I would like to inform you that the work order for the above mentioned work. Thought issued 22/05/2017 but could not taken up for want of clear site free from encroachment not made available to me. I must mention that the estimated amount put to tender being Rs.1,84,07,355.00 was made basing on 3% vat. But the Govt. of India introduced G.S.T. form 1st July 2017. So as per pre G.S.T. contract agreement which was exclusive of VAT need to be revised of contractual value in the contract due to impact of change in tax rate.

So I would request you to kindly revise the project value with a G.S.T. rate of 6% CGST and 6% SGST excluding vat 3% . As otherwise it would adversely affected to the agency. Kindly decide and communicate your value decision earliest to help me to commence the work.
