## Success Story on City Livelihood Centre ( CLC) of West Bengal

Name of Municipality	:- Hoogly Chinsura
District Name	:- Hoogly
Name of Service trade	:- Nursing Attendance
Name of the Service Provider	:- Pallavi Manna
Name of the Service Receiver	:- Anil Kumar Pal
Annual Income	:- 72000/-

*Hoogly Chinsura municipality received a call on 15/06/2017 at 5.30 p.m. An elderly voice seeking help for his wife, a traumatized voice that is looking for a trained nursing attendant. Hoogly Chinsura CLC team responder to him and give assurance to him that they will provide him solution at earliest. As per primary conversation the municipality came to know that the diseased have been brought back to home on the same day from hospital. They don't have any ancestor who can look after them. So they need a trained medical assistant who can look after the diseased and monitor as per doctor's guidance.*

The person knocked in several places but not get any suitable person to meet his need. Leaving all hope he turned his T.V and saw our CLC advertisement in local channel. Without losing any moment he called for seeking a trained medical attendant in CLC Toll free No. 18003455190.

As we know that this is a medical emergency situation and need to respond quickly, the municipality contacted some enlisted " Nursing Aids " and give this call to the nearest one who

can attain the patient quickly. The attendant is a female resident nearby slum, after completion of class twelve she is looking for a job to give support to his family; she completed Nursing Training through ES & TP programme. She responded quickly and attended the patient within half an hour.

It is found that the diseased is a cardiac patient and due to arthritis she could not move without others help. As she return from the hospital the condition is worse so a trained medical assistant is essential for support. As CLC's enlisted person is trained and experienced she manages the situation properly.

Due to proper attainment by the nursing attendant and medication within few days the patient recovers from this situation and presently fit and fine.

As process of feedback CLC called the beneficiary the response was over whelmed he told us "It's a unique initiative taken up by the government, it saves my wife's life". Municipality also contacted to the medical attendant on duty she is also happy to deliver such service in time and for continued service for ten days she earn money for her family. She enlisted her name in this CLC and there after she is a service provider and got good numbers of call for engagement in regular basis . by this she can fulfill her needs from her regular earning .

Socio-economic condition of Pallahavi Manna was very poor. She is solely earning member of her family. After gating the training and CLC service activities the family income gradually increased. Now, the total family income of her family is 72000.00 per annum.

### A Beautiful Life: Story of Bindu

This is the story of Smt. Bindu Singh, daughter of Shri Ramesh Singh, aged 35 years, resident of Nimitara Ward No. 5

Bindu hails from a very poor family whose family income is meagre for their subsistence. Bindu could not make out how she will be able to come out of the abject poverty she was born with. Due to insufficient family income she was unable to continue her studies beyond Class X and therefore could not understand how far she will be able to contribute with her minimum educational standards. Post April 2014, after NULM's launch she followed one of the advertisements displayed by Purulia municipality and came to know that there is one training programme available under ESTP. She enrolled herself under the programme and took a training under Beauty Parlour trade and successfully completed her training. Post training she was placed with Pearl Beauty Parlour in Purulia town and is earning Rs. 12,000/- per month. She has been able to maintain her family on her own and her contribution towards the family has ascertained their well being. At the same time she is also doing part time jobs in different beauty parlours as a trained professional.

Bindu's life has changed over the years and she is hopeful of a brighter future ahead and also plans to open her own beauty parlour in the coming days.
