Sir,

Apropos the captioned subject, we have been engaged with the Department in sorting out the issues related to the uploading of JAGGO data in the portal developed by the SHG&SE Department. Shri Amit Chaudhuri, State Mission Manager, MIS & ME visited the Department on 22.01.2020. As on date data for approximately 38,000 SHGs out of 52,000 SHGs are reflecting in the JAGGO portal. May I be permitted to bring to your kind notice the following issues for your direction.

- (1) The dash board in the JAGGO portal is not working. It appears that NIC is still working on it.
- (2) 'The successfully uploaded' data report needs to have an export to excel option.
- (3) District has been entered wrongly for Katwa mapped under North 24 Parganas instead of Purba Burdwan.
- (4) The payment failure report is not working.

The above issues may kindly be considered and you may like to issue appropriate directions from your end.

**Subject :- Financial Assistance to Self Help Groups (SHGs)**

Sir/Madam,

State Government has taken several initiatives to organise rural and urban women into SHGs through multiple departments. At present the number of such group is approximately 10 lakh. In 2018-19, performance of West Bengal in credit linkage to cooperative sector was highest in the country.

State Government has offered many financial incentives to these SHGs for their social and financial empowerment. For further strengthening the Self Help Group movement, Hon'ble Chief Minister has announced a grant of ₹ 5,000/- (Five Thousand) as annual Financial Assistance to each group. This scheme would be implemented by SHG&SE Department.

In this respect the department is to collect and compile the data of all SHGs and its members at one place. Hence I would request you to instruct the concerned to furnish the necessary information as per proforma enclosed in Excel Sheet and also by uploading on the portal being developed for this purpose.

You are also requested to instruct the concerned to work for API based integration of this portal with portals under your department being used for SHG Management for realtime updation for data for future

This may kindly be treated as extremely urgent.

**Proforma:** As enclosed.

Dated: 20th June, 2019

To,  
The State Mission Director, DAY-NULM

Sub: National Workshop on the NULM MIS platform at Nirman Bhawan, New Delhi - reg.

Dear Madam/ Sir,

It has been realized that the current NULM MIS is very old and not able to aptly address the emerging needs. Hence, with an objective to have an MIS, which is robust, meets the latest industry standards; is accurate, flexible and user friendly, the mission has decided to develop a new MIS application. In this respect the "System Requirement Study" (SRS) with support from UMC and BMGF has been undertaken.

2. In light of above, interaction with states/UTs has been organised to understand the issues and challenges faced by them in existing software and expectations from the new MIS. Broadly, following are kept for discussion:

- a. Experience of using the current NULM MIS, specifically with respect to User Interface, Data Capture and Reports (generation and adequacy)
- b. Integration with other national software's (If any)
- c. Good practices followed by you for ensuring smooth operation of current MIS application
- d. Expectations from the new software covering desired improvements to what is currently available in the MIS and inclusion of additional features

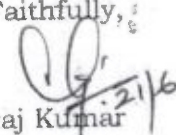

3. The schedule of the workshop is as follows:

S.No.	Date	Participating States	Venue and Time

To, NMM-MIS&ME,

Sir, In continuation of the below mail trail and subsequent discussion during AAP meeting in New Delhi, followings are the changes required in MIS portal reports section for States.

The volume of Data has grown up to significant amount having 57495 groups 7.38 lakh benefactress, 18963 bank loan cases apart from other components.

For effective implementation and micro monitoring from SMMU following reports (ULB wise) are very important. It would significantly reduce manual data compilation & calculation at SMMU and help to identify ULBs where immediate intervention is required.

We would be obliged if following reports are included in SMMU portal.

- SMID: Groups or ALF older than 3 months not received Revolving fund.
- SMID: Groups or ALF older than 3 months not received any capacity building training.
- SEP- SHG: SMID: Groups older than 9 months haven't done grading.
- SEP- SHG: SMID: Groups older than 9 months not sponsored to bank for credit linkage.
- SEP: Consolidated Pending report for I/G/SHG from inception having District, ULB, Bank, Branch sponsored date, sponsored by, sponsored amount, beneficiary name.
- SEP:-SHG: Data entry and report on 2nd grading of SHG or limit enhancements of SHG credit linkage.
- Inclusion of ULB targets in SMID and SEP Financial Year based reports in SMMU portal.

Necessary customization of the DAY-NULM portal may kindly be done incorporating the above reports.

Earnestly looking forward for your feedback within next 7 days.

**Regarding Workshop for data entry into NULM MIS and PAISA portal under DAY-NULM on 18<sup>th</sup> March,2019**

Sir/Madam,

You may aware that data entry into NULM MIS and PAiSA portal is a major activity in implementation of Self Employment Programme (SEP) under DAY-NULM. It appears that even after fund support and couple of training sessions there are deviations for beneficiary data in MIS vs PAiSA portal.

The matter was highlighted during the last video conference with NMMU,GoI. To complete the pending data entry into MIS and PAiSA portal ,a workshop has been organized as per detail below. So, You are requested to nominate two officials from NULM cell for the said workshop.

Date : 18th March,2019 at 11.00 am  
Venue : SUDA Conference Hall  
Participants : Two persons from each ULB who look after SEP and MIS entry under DAY-NULM.

\*\*\* The officials are requested to bring Laptop and data which are pending to be uploaded in MIS under SEP but approved in PAiSA portal.

You are requested to spare 2 (two) concerned officials for the afore mentioned workshop.

Yours faithfully,

Director, SUDA &  
Mission Director, WBSULM

**Regarding Workshop for MIS data entry under DAY-NULM**

Sir/Madam,

You may aware that MIS data entry is a major activity in implementation of any centrally sponsored program as per GOI directive. Accordingly, a very effective user friendly portal is in place for DAY-NULM implementation. SUDA has released the Fund for MIS backlog data entry vide memo SUDA- 94/2014/1414 , 31-08-2016 & SUDA-94/2014 (P-1)/1102 of 20/08/2015. Even after fund support and couple of training sessions there are data entry pendency in components due to which overall state ranking is not enhanced. Also, there are few changes introduced into MIS portal in SEP and SMID Component.

One workshop has been arranged as follows to demonstrate recent MIS changes and discuss major MIS issues. So, you are requested to nominate two officials from NULM cell for the said workshop.

Date : 06th March,2019 at 11.00 am  
Venue : SUDA Conference Hall  
Participants : Two persons from each ULB who look after data collection and MIS entry under DAY-NULM.

You are requested to spare two concerned officials for the above mentioned workshop.

Sir,

You may aware DAY-NULM is being implemented to reduce poverty and vulnerability of urban poor households. Under the self employment program (SEP) component the financial assistance is provided to the beneficiaries through formal Bank Linkage and the Beneficiaries get interest subvention on eligible Bank Loans.

To streamline the process of releasing interest subvention reducing manual intervention, The Ministry of Housing and Urban Affairs, GoI has entered into an MOU with Allahabad Bank to design and development of a central web portal to disburse interest subvention to the SEP beneficiaries across the country.

The portal envisages two users viz. Verifier and Approver, both at the State and the ULB levels. The guideline for nomination of Verifier & Approver should be as follows.

As per guideline the Approver at the ULB level must take approval from Executive Officer/City Project Officer before submission of final approval.

Here it is pertinent to mention that each ULB has two Users namely Verifier & Approver. The User id for Verifier & Approver is mapped with the listed persons. To log in the portal the User have to enter the user id and have to generate the password (use forget password option) from the portal. The participants are requested to access in the portal and get familiar with all tabs in the portal

<https://www.allbankcare.in/alb2/NULM/Login.aspx>

You are requested to kindly spare the listed person/s of your ULBs to attend the programme on said date, time and venue.

**Subject: Guidelines for States - National Roll Out of Central Web Portal for Interest Subvention.**

This is in continuation of letter No.K-12015 (25)/1/2017-UPA I SECTION (EFS: 9031102) dated January 17, 2018, and letter no.K-12012 (8)/2/2018-UPA I - UD / (EFTS: 9037786) dated February 20, 2018, regarding centralized web platform for processing of interest subvention under Self Employment Programme (SEP). The Ministry has conducted a Soft Launch of the web portal in April 2018, under which full cycle of processing of interest subvention has been completed successfully in 4 states involving 7 banks as participants (Annexure 1).

2. It is now planned to do a National Roll-out of the portal. States, which have submitted information as per letter dated February 20, 2018, would be able to use this portal. States are also required to complete the process of opening of current Account with Allahabad Bank, and depositing of money in the account, which is required towards payment of interest subvention to the beneficiary loan account. States which have not submitted the required data to the Ministry can do so at the earliest.

3. To take forward the National Roll-out plan, further instructions are given here under:

1. **Users of Portal:** The portal envisages two users viz. Verifier and Approver, both at the State and the ULB levels. At the Verifier level, the user can be a CMM / SMM. The Approver at the ULB and State levels must be Municipal Commissioner and State Mission Director respectively. The designated Approver at the ULB and State level can delegate power of Approval to another permanent government official only through a speaking order. Allahabad Bank will be issuing 'User ids' and 'Passwords' for ULBs and States.
2. **ULB Bank Branch Mapping:** The ULB Bank Branch mapping has been done in the portal based on the information given by the States to the Ministry. In case of requirement of mapping of additional bank branches, ULBs have the option to submit this information on the portal. A similar facility has been provided to banks to submit list of their unmapped branches to states. In such cases, states will be able to send this information to ULBs for vetting and verifying whether such branches have been giving DAY-NULM loans and can be mapped in the portal.
3. **Claim Data Submission:** Banks will be allowed to upload claim data with effect from April 1, 2018. In the first phase all 21 Public Sector Banks and 7 Private Sector Banks (as per Annexure) will be on-boarded. In the second and third phase remaining private sector banks along with RRBs and Cooperative banks will be on-boarded. The banks are requested to upload the information by June end.

4. **Manual Processing of Interest Subvention:** Manual processing of interest subvention may not be required for states which switch over to web portal mode.
  5. **Historical Claim:** A separate communication will be sent regarding allowing the banks to upload historical claim data prior to April 2018. However, prior to that, ULBs and banks will be required to undertake exercise for reconciliation of interest subvention claims processed in the past. A confirmation will need to be sent to the Ministry by banks regarding completion of this exercise.
  6. **Role of ULBs and States:** Once the master and claim data of beneficiaries have been uploaded by the banks, ULB is required to verify and approve the beneficiary data. Thereafter, State will approve the payment to be made to the beneficiaries.
    - a. It is important that verification and approval of beneficiary data and approval of payment is ensured in time, so that, the entire process of interest subvention is completed timely during each processing cycle.
    - b. Once the payment is made to the beneficiaries, States will be able to view the report of successful transactions and download the data.
  7. **Trainings for States, ULBs and Banks:** The Ministry in association with Allahabad Bank will be organizing trainings in each State shortly. The cost of logistics would be borne by the States while Ministry would provide the Trainers. Similar trainings will be organised for sensitization of bankers at the State level. States and ULBs can further organise VCs and workshops at the local level, both for bankers and concerned government functionaries.
  8. **Assistance for Portal Users:** Allahabad Bank will be making available 'Help-line' number shortly which can be used for resolving any queries by the portal users.
  9. **User Manual and FAQ:** A user Manual and FAQ will be available for users in the portal for ready reference.
  10. **Service Fee:** Allahabad Bank will charge a service fee of 1.05% of interest subvention amount released, which will be deducted from the bank account of the State, maintained for this purpose. National Payments Corporation of India (NPCI) service charges for bank account transfer and SMS charges will be deducted at the time of transaction / activity completion.
4. States are requested to pass on this information to the ULBs under their jurisdiction. Any further queries can be sent by email to the undersigned on [neeraj.kumar3@gov.in](mailto:neeraj.kumar3@gov.in).

To,

The Mission Directors, DAY-NULM  
All States/UTs

**Subject: DAY-NULM Web Portal- Information Requirement from States**

The Ministry of Housing and Urban Affairs (MOHUA) is implementing Deendayal Antyodaya Yojana - National Urban Livelihoods Mission (DAY-NULM) for reducing the poverty and vulnerability of urban poor households. Under the Self Employment Programme (SEP) component of the Mission, financial assistance is provided to beneficiaries by way of interest subvention on bank loans, for interest rate over and above 7% charged by the banks.

The Ministry has entered into a MOU with Allahabad Bank for design and development of Web Portal for streamlining the process of releasing interest subvention to the beneficiaries under SEP. As per the proposed system, the interest subvention claims will be uploaded centrally by the banks on the portal. The beneficiary data for reimbursement of interest subvention claims submitted by Banks will then be verified by the Urban Local Bodies (ULBs). Presently this process is manual in most states. After verification by the ULBs and approval by the State, the subvention amount will be transferred on Direct Benefit Transfer (DBT) mode to beneficiary.

In order to implement the above, each State will be required to open a Current Account with Allahabad Bank. The States should **initiate the process of opening of bank account** accordingly. In case any clarifications are required for the same, an e-mail may be sent to [Hodit.Cr@allahabadbank.in](mailto:Hodit.Cr@allahabadbank.in) along with a copy to [nulmwebportal@gmail.com](mailto:nulmwebportal@gmail.com). In addition, the following information may be provided urgently in the enclosed format:

1. List of ULB-wise bank branches (along with their IFSC code) as per Table 1 of attached format, so that the mapping of beneficiaries with ULBs may be done for verification by ULBs.
2. Details of officials/personnel being designated as verifier and approver in the State and ULBs as per Table 2 of attached format. Each State and ULB will be provided two user ids, one for the verifier and another for the approver. Verifiers will be required to verify the beneficiary data submitted by banks and approvers will be approving the data verified and submitted by verifiers. Each user id will be mapped through a mobile

number and an email id which will be used for OTP verification and information-sharing. Care should therefore be taken to provide working email ids and mobile numbers.

3. The web portal will be compatible with PFMS. In case the state requires routing subvention through PFMS facility, this may be confirmed.
4. The Pin Code may be provided for each ULB in the attached list of ULB codes and respective districts as maintained by the Mission. The name of corresponding district may also be verified/updated, if required.

The information requested above is urgent and may be furnished to the Ministry by Feb 22, 2018. A soft copy may also be shared in Excel sheet by email at [nulmwebportal@gmail.com](mailto:nulmwebportal@gmail.com) with a copy to [dupa-mhupa@gov.in](mailto:dupa-mhupa@gov.in). Any inputs and suggestions to enable the web portal to offer greater value to various stakeholders are most welcome.

Yours sincerely,
