Sir/ Madam,

A Google format shared with all the ULBs for reporting on the status of ALF formation & registration. A status report from 125 ULBs has since been compiled. The aggregate report indicates out of 2937 Wards, 1433 ALFs have been formed (as on 07.08.2019) as per the MIS portal. A gap of 1504 ALFs which have either not been formed or have not been registered under the Societies Registration Act.

The data of your ULB reveals, in the total of 23 Wards, 10 ALFs have been formed so far. As per extant guideline there should be 1 (one) ALF in every Ward. The gap of 13 ALFs either have been formed but not registered or not yet formed. This is to be immediately addressed.

We have set a target of formation & registration of all ALFs in all the Wards having at least 10 (ten) SHGs in a Ward within the **31st of August, 2019**. We may further like to note that the process for online registration of ALFs under the Societies Registration Act has been already shared with the City Mission Management Unit. In case if there are any further queries in this regard, the CMMU may get in touch with **Debjit Santra, CMM, MIS&ME, Midnapore Municipality at 9593226648**.
