|   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |   |        |       |       |         |      |          |            |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|--------|-------|-------|---------|------|----------|------------|
| 1 | Excavation of foundations, trenches or pits, including removal of soil (including dried soil) but excluding or stacking the spoils within a lead of 75 m. including necessary trimming the sides of trenches leveling dressing and ramming the bottom boiling out water etc. required complete. Depth of excavation not existing 1500mm                                                                                                                                                                                             | 1 | 100.00 |       |       |         |      |          |            |
| 2 | Single brick flat soling of picked jhama bricks including ramming and dressing bed to proper level and filling joints with powdered earth or local sand                                                                                                                                                                                                                                                                                                                                                                             | 1 | 100.00 | 1.00  |       | 100.000 | Sq.M | 339.00   | 33,900.00  |
| 3 | (II) Cement concrete with 30 mm downgraded shingles excluding shuttering. N.B. Variety In ground floor (a) 1:3:6 proportion                                                                                                                                                                                                                                                                                                                                                                                                         | 1 | 100.00 | 1.00  | 0.100 | 10.000  | Cu.M | 4221.00  | 42,210.00  |
| 4 | Ordinary Cement concrete (mix 1:2:4) with graded stone chips (20 mm nominal size) excluding shuttering and reinforcement, if any, in ground floor as per relevant IS codes                                                                                                                                                                                                                                                                                                                                                          | 2 | 100.00 | 0.275 | 0.600 | 33.000  | Cu.M | 5845.14  | 192,889.00 |
| 5 | Plaster (to wall, floor, ceiling etc.) with sand and cement mortar including rounding off or chamfering corners as directed and raking out joints or roughening of concrete surface including throating, nosing and drip course where necessary. (Gr.floor). i) With 6:1 cement mortar. a) 15 mm. Thick plaster.                                                                                                                                                                                                                    | 2 | 100.00 |       | 1.000 | 200.000 | Sq.M | 152.00   | 30,400.00  |
| 6 | Neat cement punning above 1.5 mm thick in wall, dado, windowsills, floor, drain etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                | 2 | 100.00 |       | 1.000 | 200.000 | Sq.M | 39.00    | 7,800.00   |
| 7 | Reinforcements for reinforced concrete work in all sorts of structures including distribution bars, stirrups, binders etc. including supply of rods, initial straightening and removal of loose rust (if necessary), cutting to requisite length, hooking and bending to correct shape, placing in proper position and binding with 16G black annealed wire at every inter-section, complete as per drawing and direction. (a) For works in foundation, basement and upto roof of ground floor / upto 4m. (i) Tor steel/Mild steel. | 1 |        | 1.10  |       |         | MTR  | 63049.00 | 69,300.00  |
| 8 | Hire and labour charges for shuttering with centreing and necessary staging upto 4 m. using approved stout props and thick hard wood planks of approved thickness with required bracing for concrete slabs, beams, columns, lintels curved or straight including fitting, fixing and striking out after completion of works. (upto roof of ground floor). (f) 25 mm to 30 mm shuttering without staging in foundation                                                                                                               | 4 | 100.00 | 0.6   |       | 240.000 | Sq.M | 221.00   | 53,040.00  |
