PMDA, HFA for Englishbazar Municipality for 2018-19

Introductory Note by Chairperson

Since Housing for All (HFA) has been launched by the Ministry of Housing & Urban Poverty Alleviation (MoHUPA), Govt. Of India in Mission mode to visualize Housing for All by 2022 and Govt. Of West Bengal also takes the initiative to fulfil the mission, Englishbazar Municipality has taken up the programme with utmost importance.

Accordingly, Englishbazar is in the process of preparing the 'Housing for All' Plan of Action (HFAPoA). Preparation of '**Housing For All**' Plan of Action along with its implementation and monitoring has opened a new challenge to us – the challenge of providing all basic services to all poor people and ensuring equitable socio-economic development of the people of Englishbazar.

In the previous years, with the facilitation of the people, this ULB has tried to address the problems of urban poor & slums keeping the aspirations of people and development objectives and targets in mind. Within the jurisdiction of this Municipality, there are 117 Slums and other non-slum areas where urban poor reside either at Semi-Pukka or Kutchha houses. Apart from that, there are residents, either of EWS or LIG group, reside at houses of same position. Municipality, to assess the present status, has decided to undergo a detailed demand survey to assess the housing requirement of urban poor including slum dwellers through stipulated programme verticals. Findings will follow hereafter. It is decided that year-wise intervention will be done at all the Wards in each year to complete the programme by 2022, if not earlier. It is also expected that the programme will come out successful for all the urban poor residing either at Semi-Pukka or Kutchha houses.

We do believe that Development is not at all one face agenda. With the complex social, political and economic scenario, it is indeed an immense mission. However we suppose that the Municipality is rolling in the true track. With the support of Government of West Bengal and Ministry of Housing and Urban Poverty Alleviation, Government of India, we will be able to achieve the desired objectives in time.
