As per letter no Hyva/East/263 Dt.23.05.2017 of HYVA, they have requested to inform them the monthly and quarterly O&M cost of Movable Compactor for Zone:- I as Bidhannagar Municipal Corporation has raised objection saying that in the Work Order the monthly rate of O&M does not mentioned so the Bidhannagar Municipal Corporation not able to process the bill.

PME  
Hyva

It may kindly be recalled that the SUDA had tendered for procurement with 3 years of O & M of Movable Compactors vide NIT No:-SUDA 217/2015/1291 Dt.28.09.215(CP-12 to 15). As per work order vide no:-SUDA-217/2015/98 Dt.18.01.2016 (CP-32 to 39), the concerned agency has supplied the all vehicles in time. But in the different municipalities the O & M of 184 no's vehicles have started in different dates from 01.04.2016 to 15.05.2017 due to different reasons as listed in CP-16 to 22. Now the HYVA has submitted a letter vide no: Hyva/East/551 Dt.08.01.2019 (CP-23 & 24) & Hyva/East/576 Dt.01.03.2019(CP-25 to 31) and express their desire to close O & M support in march 2019 since they had started their support from April 2016 of few compactors out of 186 no's compactors.

As per the letter of HYVA (CP-23 & 24) it is observed that during discussion between HYVA and SUDA officials, it is concluded that HYVA will continue the O & M support up to June-2019 and stop thereafter for all the compactors but three years O & M will be over as below:

**March,2019-** South Dum Dum(2), BMC(3),-5 nos.

**April, 2019-**Dum Dum, Bhatpara(2), Halisahar(2), Panihati(2), Khardaha(2), Madhyamgram(2), Kamarhati(2), Budge Budge, Barrackpur(2)-16 nos.

**May,2019-**Ashokenagar-Kalyannagar(2), Bongaon(2), Baruipur, Rajpur-Sonarapur(2), Chandannagar Municipal Corporation(2), Uttara(2), Habra(2), Baranagar(2), Barasat(2), Champdany(2), Dankuni(2), Kalna, Gobardanga, Titagarh(2), Santipur(2), Haringhata(2), Kalyani(2), North Dum Dum(2), Bansberia(2), Uluberia(2), Rampurhat, Nalhati, Bankura(2), Purulia(3), Medinipur(2), Kharagpur(2), Contai(2), Joynagar-Majilpur, Birnagar, Tamluk, Ramjibanpur, Ghatal, Sonamukhi, Ranaghat, Tarakeswar, Baduria, Taki, Konnagar, Hooghly-Chinsura(2), Arambagh, Rishra(2), Taherpur, Cooperscamp.-68 nos.

**June,2019-** New Barrackpur, Kanchrapara(2), Suri, Bolpur, Haldia(2), Jalpaiguri(2), Englishbazar(2), Tufanganj, Gayespur, Haldibari, Mathabhanga, Dinahata, Dhoopguri, Katwa, Siliguri(3), Alipurduar, Durgapur(2), Berhampur(2), Jiaganj, Raghunathpur, Chandrokona, Bishnupur, Beldanga, Chakdah(2), Guskara, Basirhat(2), Raiganj(2), Dhuliyani(2), Naihati(2), Murshidabad-43 nos.

**July,2019-** Dum Dum, Baidyabati(2), Diamond Harbour, Bhadreswar(2), Srirampur(2), Sainthia, Coochbehar, Mal, Egra, Burdwan(2), Jangipur(2), Dainhata, Balurghat(2), Khirpai, Kharrar, Garulia(2), Mekhliganj.-24 nos.

**August,19--**Maheshtala(2), North Barrackpur(2), Memari, Old Malda, Asansol(2), Dalkhola, Islampur, Nabadwip(2), Gangarampur, Buniadpur,-14 nos

**September,19-** Kandi, -1 no.

**October,19-** Asansol, Baranagar, South Dum Dum, -3 nos

**November,19-**Kaliaganj, North Dum Dum, -2 nos.

**February,20-** Maheshtala, -1no.

**March,20-** Baruipur, - 1 no.

**May,20-** Dubrajpur, Dum Dum.-2 nos.

And Krishnagar-2 nos

Now it is stated that if the HYVA has stopped their O & M after June, 2019 as per their letter then there are still 50 no's of Movable Compactors have not been covered total 3 years of O & M period.

As per clause 31 of terms and condition of O & M of Movable Compactors, 10% of O & M cost has retained by the ULBs as Bank Guarantee for 3 years period so if the HYVA has not complete the total 3 years O & M period of rest 50 no's of Compactors then it may create a problematic situation regarding release of Bank Guarantee. It is further stated that as per clause-14 of terms and condition of O & M of Movable Compactors, the rate quoted by HYVA for 3 years of O & M.

Therefore if the HYVA will not complete the 3 years of O & M for the rest 50 no's of Compactors then there will be some partial deviation of clause 14 & 31 of tender documents for those Compactors.

So under this circumstances kindly give your valuable opinion in this regard.

CM&PM

The above noted on O & M of Movable Compactors, may kindly be perused.

In this connection, it is being proposed that  
 1) the O & M support for 136 Movable compactors may be stopped on June 2019 as their support for 3 years will be completed.

2) The O & M support for remaining 50 Movable compactors may be continued beyond June 2019 upto completion of their 3 years' support agreement.
