

As per Work Order No. SUDA-217/2015/98 Dated 18.01.2016 and Work Order No. SUDA-217/2015/1836 Dated 30.12.2015 HYVA has supplied 186 nos. Movable Compactors, 21 nos. Stationary Compactors and 17 nos. Hook Loaders to different ULBs. As per agreement the contracts includes supply of above vehicles and 3 years Operation & Maintenance of said vehicle.

The O&M period of Movable Compactors have already been ended and the O&M period of Stationery Compactors will be completed soon.

Now the HYVA has submitted a letter vide no. HYVA/EAST/20/0306202001 dated 03.06.2020 and it has come to our notice that a good number of ULBs have not making payment to the concerned agency though the ULBs have received requisite funds from SUDA for O&M purpose. The agency has repeatedly requesting us to look into the matter. HYVA has also requested to release the balance fund directly to HYVA instead of ULBs to avoid further delay to collect payment from ULBs.

Since May,2019 several communications have been made to the respective ULBs requesting them to clear the dues of HYVA. But after repeated reminder the some of the specific ULBs have not cleared the due amounts.

A separate sheet mentioning the fund released against O&M Services of the Compactors and remaining fund to be released from SUDA to the ULBs is annexed

Under such circumstances the prayer of HYVA regarding directly payment to HYVA instead of ULBs from SUDA may be considered to avoid further delay to receive payment from ULBs.

In this context, in agreement it is mentioned that SUDA will release the payment to ULBs and ULBs will be release the payment of HYVA.

Under the above situation, revised approval is necessary for direct payment of O&M of compactors to HYVA for remaining payment that lies in SUDA.

Ref : Work Order from SUDA for Supply and Operation & Maintenance of Movable and Stationary Compactors to the ULBs

Sub : **Request for support to release our Payment from ULBs against Operation & Maintenance Contract of Compactors and also release balance payment from SUDA**

Respected Sir,

With reference to above, we would like to draw your kind attention to the fact that we have done Operation & Maintenance activities of the Compactors and Hook Loaders supplied to total 119 ULBs in West Bengal as per your work order.

Many ULBs are not releasing our full & balance payment against the payment SUDA has already released for this O& M Contract to respective ULBs. Pertaining to this, our pending payment with ULBs is **Rs.272 Lacs**. These ULBs are not showing any willingness to clear our payment.

We are being penalized for no fault of ours.

In this context, request you to help us to obtain the balance payment from different ULBs, which they are holding since long.

Moreover, SUDA is also yet to release **220 Lacs** against the Operation & Maintenance activities of these Compactors, which have already being done by us. Considering the unwillingness and delay shown by the ULBs in paying us, you are requested to direct SUDA to arrange to pay this amount of 220 Lacs to Hyva directly to avoid further delay in getting our payment. In general, we have observed it takes minimum 5-6 months to get payment from the ULBs after SUDA releases payment to them.

We have lot of Hopes from you to get your kind consideration on the subject matter.

Thanking you and assuring of our best attention all the times,  
Yours faithfully

For Hyva (India) Pvt Ltd.

**Sub : Closing of O&M Service for Movable Compactor**

**Ref : Letter of Acceptance Cum Work Order from SUDA vide their letter no SUDA-217/2015/98 dated 18-01-2016**

Dear Madam,

This has reference to our earlier letter no Hyva/East/576 dated 01.03.2019 through which we had intimated you closing of our Operation and Maintenance service on 30<sup>th</sup> June 2019. As desired we also intimated you the list of movable compactor to be closed month-wise.

As per the list O&M of 92 compactors already closed by May end and further 94 compactors are to be closed in June 2019. While going through the date of operation and the closing of O&M date it has been noticed that out of 94 compactors, only 44 numbers would complete 3 years contract period and 50 numbers still to complete the 3 years period as all these compactors were put on operation by the respective ULB very late.

We now refer to the discussion we had at your office on 04.06.2019 wherein you had suggested us to continue our operation for further 2 months **i.e., up to August 2019 end** so that majority of the compactors can complete the scheduled 3 years period. In fact except 12 numbers compactors all compactors (Total 174 numbers) would complete their 3 years period. During discussion you also had mentioned that this would help you to release 12<sup>th</sup> quarter O&M fund for all the compactors and for rest 12 compactors you would take needful action.

In this respect we would like to inform you that as desired by you, we would continue our O&M service for these 50 movable compactors **up to August end** and close our operation thereafter.

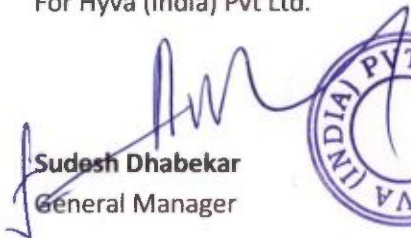

However, we request you to kindly arrange to release the 12<sup>th</sup> quarter O&M fund to the ULBs so that we follow up with them to release our payment. We also request you to kindly arrange to follow up with the Critical ULBs who are not releasing our payment. We have already submitted you the list on which the Critical ULBs are highlighted.

Kindly note that our present outstanding is **Rs. 6.66 Cr.** and for this we are having tremendous working capital pressure and we need your support to liquidate our outstanding from ULBs.

Also note that we are losing money because of the introduction of the GST after we won the contract, we had requested SUDA to take cognizance of this and compensate us for the differential amount that we were losing due to the new tax structure, however, we were refused. Kindly note that being a professional MNC; we have continued the O&M contract till our contracted tenure. We would like SUDA to ensure that we get our money quickly which is delayed by many months.

Thanking you and assuring you of our best support at all times,

Yours truly,  
For Hyva (India) Pvt Ltd.

  
Sudesh Dhabekar  
General Manager

**Sub : Payment for Operation and Maintenance Charge of Compactor**

**Ref : Letter of Acceptance Cum Work Order from SUDA vide their letter no  
SUDA-217/2015/98 dated 18-01-2016**

Dear Sir,

Against the above work order we have delivered all the moveable compactors in time and commissioned the same. According to the work order we also had carried out the trial run and training to all the municipalities.

As per the terms and condition of the Work Order, we have been carrying out Operation and Maintenance job of the compactors from its date of operation. We also have been raising our invoice quarterly with effect from the quarter **April to Jun 2016** onwards to all the municipalities as per the T&C of your work order. All the invoices were timely submitted to the municipalities and so far we have submitted bills for 3 quarter i.e., **April to June 2016**, **July to September 2016** and **October to December 2016**. The bill, for the quarter, January to March 2017 also to be submitted very soon.

The fund for Operation and Maintenance from SUDA was released to all the municipalities for one year period on 27<sup>th</sup> December 2016.

In this respect please note that our representative have been approaching to all the municipalities immediately after releasing of the O&M fund from your end but in spite of our best effort and follow-up as of now **we have not received any payment from 33 municipalities** and received **only part payment from 13 municipalities**. List of such municipalities are enclosed for your ready reference. Kindly note that as on date our outstanding amount is **Rs.2.29 Cr.**

Please note that we are extremely upset the manner our personnel are being treated by the municipalities officials whenever they are approaching for payment. We are not getting any co-operation from the municipalities for releasing our payment rather their intention is to hold our payment as long as possible.

It would not be out of place to mention that due to huge outstanding our fund flow has badly affected and we are facing trouble to release salary to our manpower that are associated with these activities including driver and helper of the compactor.

In view of above we request you to kindly re-look the payment terms of O&M charge and **arrange to release our payment centrally from SUDA for 2<sup>nd</sup> and 3<sup>rd</sup> year period.**

We trust that you have understood our pain and would take necessary action to release the payment centrally from SUDA.

Expecting your kind consideration in the above matter at the earliest.

Thanking you and assuring you of our best support at all times,

Sub : Request to release Payment against supply of Movable Garbage Compactor

Dear Sir,

With reference to above, we would like to draw your kind attention that we have supplied a Movable Garbage Compactor on 5<sup>th</sup> May, 2016 to Jhalda Municipality as a beneficiary of the above-mentioned work order from SUDA.

We commissioned the Compactor and made it operational from 1st June, 2016. The Compactor had been working all along from the date we commissioned i.e. 1st June, 2016 till 30<sup>th</sup> November, 2016 and thereafter its usage was discontinued due to reasons unknown to us.

We understand from SUDA that the full payment is released from their end to Jhalda Municipality however, we have still not been issued the payment though we have completed all the formalities required. As per the tender payment terms, we are to receive the payment on commissioning the equipment i.e. 1st June, 2016.

It's been more than 6 months now that the payment is not released to us leading to substantial interest loss to us owing to the long delay.

We have been requesting Jhalda Municipality office repeatedly to release the payment to us. In this regard, even SUDA has also requested Jhalda Municipality to release payment to us vide their letter no. SUDA/316/2016/2339 dtd. 4<sup>th</sup> Jan., 2017, but regret that inspite of SUDA letter payment is still not released to us.

We once again request to please arrange to instruct the concerned to release payment to us immediately. We wish to inform that we reserve the right to charge interest charges as per the prevailing lending interest rate of bank for the delayed period since the payment is delayed unduly.

Look forward to your kind understanding and doing the needful in the matter.

Thanking you and assuring of our best attention at all times,

Yours faithfully,

As per the tender payment terms, we are to receive the payment on commissioning the equipment i.e. 1st June, 2016.

It's been more than 6 months now that the payment is not released to us leading to substantial interest loss to us owing to the long delay.

We have been requesting Jhalda Municipality office repeatedly to release the payment to us. In this regard, even SUDA has also requested Jhalda Municipality to release payment to us vide their letter no. SUDA/316/2016/2339 dtd. 4<sup>th</sup> Jan., 2017, but regret that inspite of SUDA letter payment is still not released to us.

We once again request to please arrange to instruct the concerned to release payment to us immediately. We wish to inform that we reserve the right to charge interest charges as per the prevailing lending interest rate of bank for the delayed period since the payment is delayed unduly.

Look forward to your kind understanding and doing the needful in the matter.

Thanking you and assuring of our best attention at all times,

Yours faithfully,

**Sub: Requirement of One number of Compactor (8 cubic mt) & Six number of Hydraulic Tipper**

Sir,

This is to bring your kind attention to the fact that, a movable Compactor with 14 cubic meter capacity was placed to Jhalda Municipality for removal of garbage at jurisdiction of Jhalda municipality. It is to be mentioned here that, it was commissioned in the Month of May,2016.

Considering the geographical location and due to narrow road of Jhalda Municipality, we are unable to operate the said heavy compactor in connection with waste disposal of Jhalda Municipality.

In view of the above, I would request you to kindly arrange One number of 8 cubic meter Compactor to collect the waste from main roads and 6 numbers of hydraulic tipper to collect waste from narrower roads inside the municipal area for proper disposal of garbage and smooth execution.

Thanking you
