Sir/Madam,

In reference to the above noted subject this is to inform you that three years O & M period of Movable Compactor supplied to you have already been ended or will be ended very soon. In response to the requests made by ULBs to bear the O & M cost of the compactors by the State Government for smooth progress of solid waste management in the cities, it is decided that expenditure of O & M cost which includes only one skilled driver and a helper will be provided to the respective Municipalities/Municipal Corporations for further period of six months from the date of expiry of the present O & M service provided by HYVA. Funds for this purpose will be reimbursed after submission of claim by the respective ULB only relating to wages of one skilled driver and helper.

It is to be ensured that after end of that period of six months ULBs would have to manage O & M of Movable Compactor by their own following existing financial norms. The engagement of O & M agency should be made only through tender. No ULB should engage any driver/helper directly which would create financial liability.

Yours faithfully,

Director, SUDA
