**Sub: Feasibility of setting up of Common Waste Treatment Facility and Sanitary Land Fill in Mouzas Hatisala and Kapasati in P.S.: Bhangor, South 24 Parganas**

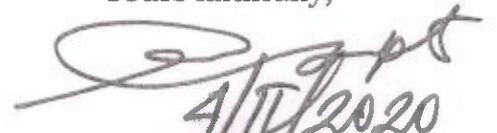

Sir,

Kindly recall the discussion we had on the above subject. You are aware that one of major challenges being faced in different Municipalities is availability of suitable land in which Solid Waste Processing Facility and Sanitary Land Fill could be set up. In pre bid meetings, many bidders have demanded clarity on availability of land for this purpose. In fact, in a couple of bids, no one has quoted their rates on this ground. We have identified about 65 acres of land in Mouza Hatisala and about 93 acres of land in Mouza Kapasati for direct purchase. The Hatisala Mouza is apparently outside notified East Kolkata Wet Land Area. The details of the land are enclosed.

I would request you to kindly offer your view as to whether the referred lands are suitable and adequate in size for the stated purpose. We propose to create Common Solid Waste Processing Facility for all the Municipalities in the KMDA area including KMC.

Encl: As stated

Yours faithfully,

Ref : This office memo no SUDA - 491/ 2019/ 6279, dated 04.09.2019.  
Sir,

In response to our communication to the ADM(LR) South 24 pgs vide memo no SUDA-491/ 2019/ 6279, dated 04.09.2019 requesting him to identify suitable land for establishment of solid waste management facilities for different ULBs within the district of South 24 Pgs/Kolkata, we are pleased to get information about land parcels respectively at mouza - Beonta and Tardaha Kapashati, Block - Bhangore - I, PS - KLC, Dist - South 24 PGS.

However, in the last meeting of NGT State Level Committee for SWM on 25.09.2019, Justice(Retd) Sri Jayanta Kumar Biswas, Chairman of the committee, expressed his displeasure on the slow progress of identification and subsequent purchase of land for the purpose of setting up of different waste management facilities for processing of municipal solid waste generated in the urban areas of the district along with managing of legacy waste dumped at the site of Promodnagar and directed ADM(LR) of North 24 Pgs and South 24 Pgs to attend the next meeting of the State Level Committee on 06.11.2019 at ILGUS Bhawan for thorough review of the present status.

In this regard, a preparatory meeting has been convened at Nagarayan (5<sup>th</sup> floor) to discuss the related issues at length at 12.00 noon on 25.10.2019. You are requested to advise ADM(LR) of your district to attend the meeting personally.

Agenda of the meeting is as follows:

1. Procurement of land at Bhangore I block of South 24 Parganas at Beonta and Tardah Kapasati for setting up of waste processing facilities of KMC, BMC and few other ULBs.
2. Procurement of land at Naihati (adjacent to Rishi Bankim Park) for setting up of sanitary landfill site and waste processing facilities of several ULBs of North 24 Parganas
3. Ascertaining the title of the land of Pramodnagar dump site with status of present possession there.
4. Misc.

Sub : Land related issues for cluster based Waste Management Projects Under District of South 24-Parganas and North 24-Parganas.

Sir,

Urban Development & Municipal Affairs Department wants to procure chunk of land in your jurisdiction for setting up suitable Solid Waste Management facilities for Kolkata Municipal Corporation, Bidhannagar Municipal Corporation and few other ULBs and an area measuring 423 bighas (approx.) in mouza - Tardaha Kapashati, JL - 38, Sheet No. 3, around 75 bigha in mouza - Andulgaria, JL No. - 36, Sheet No. 2 and around 110 bigha in mouza - Hatishala, JL No. - 9, Sheet No. 2 have been identified for the same (lists of relevant plot nos. and their corresponding khatians are enclosed herewith).

You are being requested to kindly provide the land details and physical recorded status of the proposed land. It is also necessary to know whether the said land or any part thereof falls under the jurisdiction of wetland area since, if so, then permission have to be obtained from Competent Authority for using the same for Solid Waste Management project.

An early reply is being solicited from your end as this is a flagship project.

Yours faithfully,

Subject: Request to provide the total value of land of nearly about 55 acres consisting of 170 no plots in Mouza Malacha J L No 111 adjacent to Rishi Bankim Chandra Industrial Park.

Sir,

In connection with the setting up of different facilities related to Municipal Solid Waste Management, we approached district administration of North 24 Parganas for identification of suitable land measuring nearly 30 acres.

On getting prompt response from your end a team of officials from SUDA visited a site located within Mouza Malacha, J L No 111 adjacent to Rishi Bankim Chandra Industrial Park on dated 08.08.2019 and found the land apparently feasible for the purpose.

Now I am requesting you to share the land schedule along with sketch map and available market value and IGR value of the said land for further course of action.

An early reply is requested.

Yours faithfully

SUB: Inspection report in respect of the mass petition by Arabinda Kumar Sarkar and 80 others as they are willing to sell their land to the Government for setting up industry in Mouza malancha JL Number adjacent to the Rishi Bankim Chandra Industrial Park

REF: Instruction of ADM & DL&LRO, North 24 Paraganas communicated vide Memo No. L-14011/53/2017-DL&LRO/141117 Dated 31.07.17 and as per the kind instruction of BDO Barrackpore I

Sir,

As per the telephonic instruction from the Block Development Officer, Barrackpore I and the kind instruction of ADM & DL&LRO, North 24 Paraganas communicated vide Memo No. L-14011/53/2017-DL&LRO/141117 Dated 31.07.17, the undersigned on behalf of B.L.&L.R.O. Barrackpore I, along with the concerned Revenue Inspector, Sri Tapan Sarkar, Amin attached to the Office of the B.L.&L.R.O. BKP I and one Officer from the concerned BDO Office jointly inspected the area mentioned in the application from Arabinda Kumar Sarkar and others as they are willing to sell their land to the Government for setting up industry in Mouza malancha JL Number 111 adjacent to the Rishi Bankim Chandra Industrial Park. From the inspection the following points have been revealed.

1. The total area as proposed by the willing raiyats as mentioned in the site plan/sketch map is nearly about 55 Acres consisting of 170 (one hundred and seventy) plots though it is not clearly transpired as to whether all the recorded or unrecorded raiyats therein are willing to sell their respective land. The Plot numbers as proposed for selling are 399 and other 169 Plots. The area is adjoining the Kalyani Expressway.

2. The land is low marshy area and no cultivation is traced there.

3. It is quite noteworthy that 0.08 Acre (out of total 0.28 Acre), 0.12 Acre (out of 0.31 Acre) and 0.29 Acre (out of 0.36 Acre) are recorded in respect of Plot No. 448, 544 and 546 respectively in Khatian No. 1 i.e. vested to the state.

2. There is already an Industrial Park Rishi Bankim Shilpoudyan (as shown in the sketch map) adjacent to the area (towards the south) in Mouza Maincha, Rajendrapur and Ramchandrapur and also towards south there is an industry being developed by the WEBEL with an area measuring nearly 70 Acres. So there is an industrial cluster and huge possibility if there is any further industrial development.

This is for your information and taking necessary action.

Sub :- Purchase of land for SWM project.

Sir,

Your kind attention is drawn to the fact that the Municipality has finally found 928.99 decimal land at chendua and Bijna Mouza which is adjacent and suitable to the Municipality for SWM project. A copy of statement containing details of land and photograph of the same is enclosed herewith.

The owner of the land is very eager to sell the land and submitted proposal accordingly and now he is pressing hard to complete the process of purchasing the land.

It is, therefore, requested to take necessary steps for examining the technical feasibility as required and kindly arrange for allotment of fund for Rs.6.52 crores including stamp duty, Registration fee and charges for Advocate for purchase of the proposed land at your earliest and oblige.

In this context, it is mentioned that if the land be purchased for cluster wise operation, then we have no objection.

Sub: Arrangement of land for the construction work of Solid Waste Management Project, Waste Water Treatment Plant at the meeting points of drains and cannels, within Tamralipta Municipality.

Sir,

As per the instruction(s) of the State and the Central Governments, Solid Waste Management system is required to be implemented urgently. Along with it, Waste Water Treatment Plant has also to be constructed in order to the control river water pollution.

Our municipality wants to implement both the projects depending upon their relative importance. We merely have a dump-pit on the bank of the river Rupnarayana for depositing the total amount of the waste garbage of the municipality, but now about two-thirds of that portion of the bank of the river has been swallowed by the river due to soil-erosion.

There are also four large canals which pass through the municipality to fall into the river Rupnarayana and at least 25 Nos. of the drains of the municipality flow into these large canals.

In view of the two projects, it is required to: -

- 1) Arrange at least two acres of land (single plot) for the construction of the Solid Waste Management Project, and
- 2) a) Arrange land for the construction of the four meeting points of the four canals measuring 50 X 50 Sq. Mtr. for the Waste Water Treatment Plant.
- b) Arrange land measuring 50 X 50 Sq. Mtr., at least 04 points for the construction Waste Water Treatment Plant of the 25 Nos. of drains.

It may be mentioned here that, our Tamralipta Municipality being 157 years old (Estd.- 1863), there is no vacant land under its jurisdiction.

**Sub: Request for construction of a sanitary Dumping Ground cum waste treatment plant within the jurisdiction of Bongaon Municipal area**

26.08.19

Madam,

As per decision of the meeting cum workshop held at Biswa Bangla Convention center on 14.08.2019 and in order to comply with the SWM rules-2016 and other orders, rules, and act of Pollution Control Board and Govt. to-a-T we need a sanitary Dumping Ground cum waste treatment plant within the jurisdiction of Bongaon Municipal area as soon as possible.

Hon'ble MIC, UD & MA Dept. was also present in the meeting.

Our proposal for construction of a sanitary Dumping Ground cum waste treatment plant within the jurisdiction of Bongaon Municipal area was submitted to MED in the year 2016 but no result has yet been obtained from any end. We have already requested almost all depts. for the same.

Now undersigned is earnestly requesting you to please look into the matter and take necessary action so that we can have a sanitary Dumping Ground cum waste treatment plant within the jurisdiction of Bongaon Municipal area and so that we can pay the necessary SWM services to the people of Bongaon Municipality.

Thanking You,

Yours Faithfully
