Sub: Requirement of cesspool & water tank for public service.

Sir,

The under signed is like to inform you that this ULB has 1 (one) No. cesspool & 1 (one) No. water tank which are in abandoned conditions. But due to locked down the public services in connection with "Clearing of night soil & Supply of water" in various institutional & home quarantine center became increased in more proportion. As a small ULB, sufficient fund is not available to purchase the same.

The under signed is therefore requesting you to allot at least one cesspool and one water tank in favour of this ULB as it can overcome the present situation

Hope an early action will be taken from your end.

Thanking you.
