

STATE URBAN DEVELOPMENT AGENCY
FILE NO: SUDA- 719/2020

It may kindly be recalled that the Joynagar- Majilpur Municipality has submitted a letter vide no: JMM/ Dt.19.06.2020 and informed that they have required of 1 no Cesspool and 1 no Water Tank as the existing equipments are in abandoned condition. The ULB has informed that the present lock down condition the public services in connection with clearing of night soil & supply of water in various institutional and home quarantine center became increase in more proportion and they have no sufficient fund for procured those items.

In the above circumstances this is to mention here that centrally procurement of water tanks are under process and if urgently required then one number water tank may be sent to the concerned municipality from alternative arrangement.

In SWM rule16, Cesspool is considered for cleaning of sewer line but here the ULB has demanded the cesspool for cleaning of night soil only though as per request of the Chairman, Joynagar-Majilpur Municipality 1 no cesspool and 1 no water tank of desired capacity may be considered.

The proposal is placed for your perusal please.

Above notes may kindly be perused.

One no Water tank may be arranged to send to the Municipality if allowed, from centrally procured items.

Cleaning of night soil from Septic Tank is not related to Solid Waste Management.

As requested by the Chairman, Joynagar-Majilpur Municipality, providing of 1 no Cesspool for night soil cleaning may be considered, if approved.

Placed for kind consideration.
