Minutes of the Review meeting on the progress of solid waste management activities in 13 RRC towns to prevent pollution in respective rivers, 42 Ganga towns to prevent pollution in the Ganga river and 8 Model Cities/Towns

Date: 3rd December 2019

Time: 10.30 AM

Venue: The Stadel, Bidhannagar

List of Participants Present: Annexure-I

At the outset, Sri Santanu Mukherjee, Joint Secretary, UD & MA Department explained the objective of the meeting and conveyed thanks to the Representatives of all ULBs for attending the meeting.

Director, SUDA made a presentation on the physical & financial progress of several components implemented by the ULBs under Mission Nirmal Bangla(U).

After that following discussion and decisions were taken:

1. ULB level SWM Task Force meeting should be held at least once in month and ULBs should invite Micro Planning Organization, ODF/SWM Verification Agency and Transaction Advisors for interactive discussion on way forward.
2. A Whats app group viz. Mission Nirmal Bangla(U) has been opened for communicating/disseminating several information among all the ULBs. The available contact nos. of Nodal Officers of several ULBs have been incorporated in the Whats app group. The remaining ULBs will designate a Nodal Officer for MNB(U) activities and send the name, designation, contact no alongwith Whats App no. of the person to SUDA within 7 days for incorporating in the group.
3. SUDA has opened a dedicated email ID: (odf.wbsuda@gmail.com) for communicating several information on ODF and receiving reports and new requisitions related to latrine construction from ULBs.
4. As per direction of Hon'ble NGT, all model cities/towns should comply the directions of SWM Rules 2016 within April 2020 and other towns should comply within October 2020. The orders of Hon'ble NGT is available at their website and the ULBs may download the same for necessary action (O.A. 200/2014 for Ganga Towns, O.A. 606/2018 for Model Cities/ Towns and O.A. 673/2018 for RRC Towns situated beside polluted river stretches.
5. All ULBs should fix a dateline for implementing 100% door to door collection of waste regularly and 100% segregation of waste at source regularly and communicate the same to SUDA within 7 days positively, so that it can be communicated to Hon'ble NGT.
6. Tender for procurement of 20% Household Bins completed in Model Cities/Towns and Ganga Towns and supply will be completed by 31.01.2020. ULB should plan how to distribute the bins.
7. The ULBs which have submitted proposal for inter departmental transfer of land (IDT) or purchase of land for solid waste management at UD&MA Department should contact with the concerned Joint Secretaries

for understanding the present status and further necessary action. (Sri Santanu Das for IDT and Sri Arup Ratan Mukhopadhyay for purchase of land)

8. Procedure for interdepartmental transfer of land (IDT) ULB should identify

- Identification of land by ULB.
- Submission of land details to the concerned District Magistrate with a copy to UD&MA Department.
- After proper inspection District Magistrate will send a copy to UD&MA Department with his/ her remarks.
- UD&MA Department will send the proposal to Land Reforms Commissioner (LRC).
- LRC taking the possession of land from respective Department will inform District Magistrate to give possession of land to ULB.

9. Procedure for purchase of land for SWM

- ULB should identify the land for procurement for establishing solid waste processing site or sanitary landfill site.
- ULB should submit the details of land to the concerned District Magistrate.
- Secretary, Zilla Parishad, the convenor of land purchase committee examining the land and taking a discussion in land purchase committee will intimate the expression of interest of ULB for purchase of the land.
- After checking of the details UD&MA Department will take the cabinet approval of willingness of ULB for purchase of that parcel of land and will send the cabinet decision to the District Magistrate.
- After that the details of the land alongwith its price with justification should be placed at land purchase committee for approval.
- The approval should be communicated to ULB and State Government.
- After that ULB can purchase the land from earmarked fund.

10. The vested land which belongs to 1 no. khatian may be allotted directly by District Magistrate with an intimation to UD&MA Department and L&LR Department.

11. Demand for ULBs regarding land purchase/ transfer for SWM purpose should be discussed in the Special Task Force Committee.

12. List of plastic recyclers provided from WBPCB have been circulated to all ULBs through e-mail and also displayed in the websites of SUDA and UD&MA Department.

13. Hijli Inspiration has been engaged as ODF/ SWM verification agency. As per ODF protocol each student of a school should give declaration of ODF. But in this connection most of the schools located within the are not cooperating with the ULB vis-à-vis ODF agency. To expedite the process, a letter will be issued to the Principal Secretary, School Education Department for providing necessary instruction to the Schools for necessary cooperation.

14. Principal Secretary, UD&MA Department has advised following to the ULBs:

- The ULBs having shortage of land for establishment of SWM units should workout identification of land from market complex/ parks/ housing complex and existing infrastructures for setting up decentralized waste processing unit.
- All the ULBs should identify the bulk waste generators and should issue notice to them as per SWM rules, 2016.
- The ULBs should submit their proposal for bio/ phyto remediation with vetted estimate within 15.12.2019 through Rapid Scrutiny Protocol in UD&MA Department.
- ULBs should install screens at their own cost in small drains and for large drains may submit vetted estimate to UD&MA Department.
- The DPR of Micro planning organization should include quantity of wet and dry waste, route chart alongwith collection time, manpower and vehicle planning, IEC & Capacity Building plan etc. on the basis of which budget for each project should be worked out.
- Micro planners should submit DPR of 1st phase 85 ULBs within December, 2019 and 2nd phase 39 ULBs within January, 2020.
- ULBs should review the work of the Micro planning organizations in their task force meeting. The RRC towns should install screens in the drains disposing solid wastes to their respective rivers and for the said purpose should contact with nearby MED division for preparation of estimate and vetting.

Meeting ended with thanks to and from the chair.

Minutes of the Review Meeting with Model Town/Cities on implementation of SWM

Date: 19th July, 2019

Time: 12.00 Noon

Venue: SUDA Conference Hall

List of Participants Present in the Meeting: Annexure-1

Director, SUDA chaired the meeting.

Model Town/City wise progress of work was reviewed.

Asansol MC – The coverage under door to door waste collection could not be increased due to shortage of manpower. The nodal officer has informed that the work related to installation of STP is not yet started. The construction work of targeted IHHL and MIS uploading of the same were also found static compared to the last review. AMC has identified the BWGs within its jurisdiction, issued repeated communication and held meetings with the Bulk Waste Generators (BWG) to handle SWM of their own.

Durgapur MC – The coverage under door to door waste collection could not be increased due to shortage of manpower. BWGs within the areas have been listed and necessary communication has been made to them for disposal of waste at their end. Construction of STP is not yet started.

Bidhannagar MC – Regular meeting of Task Force is held on every Tuesday. BMC will convene meeting with Residents' Associations shortly to explain responsibilities of Bulk waste Generators before them. As informed, 12 out of 34 sites proposed by PwC, the TA for establishment of different SWM facilities have been identified. BMC is in need of IEC materials for awareness generation. The Corporation has conducted training of all conservancy workers on waste segregation norms.

Baidyabati – Uploading of toilet construction data on MIS portal is not done. Door to door collection of segregated waste has been achieved. The nodal officer informed that screens on the Ganga connecting drains have been installed and requested to look into the matter of water pollution accumulated in the Irrigation Canal running beside the municipal town of Baidyabati.

Rishra- Segregation of waste at household level has been taken up in 6 wards. Uploading of toilet construction data is not done on MIS portal.

Uttarpara-Kotrung – Door to door collection of segregated waste has been achieved. Meeting

with Bulk Waste Generators has been held. The nodal officer informed that screens on the Ganga connecting drains have been installed except at two sites due to water logging at the respective sites.

Kalyani – The municipal authority has undertaken various awareness generating initiatives in the locality. They have listed the rag-pickers and bulk generators in the town. The nodal officer informed that one private enterprise has agreed to install a compost plant at their own premises. The nodal officer informed that as per BOC resolution Rain Water Harvesting will be kept as a condition in case of sanction of Building Plan by the Municipality.

Haldia- An agency has been engaged by the ULB for collection, transportation and processing of waste. The nodal officer was asked to share the terms and conditions of that assignment with SUDA for understanding of the business module at this end. The municipality did not yet issue notice to the Bulk Generators.

At the end of the meeting following plan of actions were finalised for execution at different ends:

- KMDA will be requested to provide status of STPs at Asansole and Durgapur. (Action: SUDA)
- All Model Town/City authority will submit list of Rag-pickers and conservancy workers engaged in household level garbage collection by 25.7.19. (Action: Nodal officer, Model City/town)
- SUDA will arrange training for Rag-pickers and conservancy worker at ULB level during the month of August. (Action: SUDA)
- ULBs will issue notice to Bulk Generators, if not already done, and hold meeting with them.

Guidelines for Bulk Generator will again be sent to all concerned ULBs by SUDA. (Action: Nodal officer, Model City/town/SUDA)

- By the end of August, ULBs will take necessary initiatives to ensure setting up of decentralized waste processing unit at least one/two bulk waste generation point. (Action: Nodal officer, Model City/town)
- Communications made from AMC and DMC to the different Central Govt organization as Bulk Waste Generator for disposal of waste at their end will be forwarded to SUDA for necessary persuasion. (Action: Nodal officer, Model City/town/SUDA)
- AMC and DMC will try to extend door to door waste collection coverage, chalk out

plan for better coverage with existing manpower and transportation system and place it in the ULB level Task Force meeting. TA will start working soon for these Corporations. (Action: Nodal officer, AMC, DMC/SUDA)

- BMC will identify land as suggested by the TA for decentralized waste processing. The matter will be reviewed in the next fortnightly review meeting. (Action: Nodal officer, BMC,
- ULBs will hold Task Force meeting regularly on weekly basis and send resolutions to SUDA. (Action: Nodal officer, Model City/town)
- Notification on collection of segregated waste will be issued by the ULBs if not already issued. (Action: Nodal officer, Model City/town)
- Construction of IHHL/CT/PT along with uploading of details will be completed by all concerned ULBs by 15.8.19. (Action: Nodal officer, Model City/town)
- ULBs will consider mandatory imposition of condition pertaining to Rain Water Harvesting and disposal/processing of solid waste at generating point in case of sanction of Building Plan for different Commercial/Non Commercial establishment within their jurisdiction. (Action: Nodal officer, Model City/town)
- ULBs will keep focus on documentation of different activities undertaken by them. Write up on various initiatives with good resolution photographs should be sent to SUDA for record and compilation at this end. Action Plan for Model Towns/Cities should be submitted by 29.7.19. (Action: Nodal officer, Model City/town)
- SUDA will send IEC materials as early as possible. (Action: SUDA)

Meeting ended with thanks to and from the chair.

Minutes of the Review Meeting with Model Town/Cities on implementation of SWM

Date: 19th July, 2019

Time: 12.00 Noon

Venue: SUDA Conference Hall

List of Participants Present in the Meeting: Annexure-1

Director, SUDA chaired the meeting.

Model Town/City wise progress of work was reviewed.

Asansol MC – The coverage under door to door waste collection could not be increased due to shortage of manpower. The nodal officer has informed that the work related to installation of STP is not yet started. The construction work of targeted IHHL and MIS uploading of the same were also found static compared to the last review. AMC has identified the BWGs within its jurisdiction, issued repeated communication and held meetings with the Bulk Waste Generators (BWG) to handle SWM of their own.

Durgapur MC – The coverage under door to door waste collection could not be increased due to shortage of manpower. BWGs within the areas have been listed and necessary communication has been made to them for disposal of waste at their end. Construction of STP is not yet started.

Bidhannagar MC – Regular meeting of Task Force is held on every Tuesday. BMC will convene meeting with Residents' Associations shortly to explain responsibilities of Bulk waste Generators before them. As informed, 12 out of 34 sites proposed by PwC, the TA for establishment of different SWM facilities have been identified. BMC is in need of IEC materials for awareness generation. The Corporation has conducted training of all conservancy workers on waste segregation norms.

Some model cities i.e. Asansol, Bidhanagar, Durgapur etc. have informed that they are planning to incorporate the compulsory Rain Water Harvesting and SWM plan to be implemented by the citizen with their building plan sanction. Empanelled agencies are also to be given with their sanctioned plan to sign a MoA with the agency for implementation of stated activities.

Baidyabati – Uploading of toilet construction data on MIS portal is not done. Door to door collection of segregated waste has been achieved. The nodal officer informed that screens on the Ganga connecting drains have been installed and requested to look into the matter of "Baidyabati Canal" maintained by Irrigation Department.

Rishra- Segregation of waste at household level has been taken up in 6 wards. Uploading of toilet construction data is not done on MIS portal.

Uttarpara-Kotrung – Door to door collection of segregated waste has been achieved. Meeting with Bulk Waste Generators has been held. The nodal officer informed that screens on the ganga connecting drains have been installed except at two sites due to water logging at the respective sites.

Kalyani – The municipal authority has undertaken various awareness generating initiatives in the locality. They have listed off the rag-pickers and bulk generators in the town. They informed that Dabur Company has agreed to install a compost plant of their own. The nodal officer informed that as per BOC resolution Rain Water Harvesting comes as a clause from 15/07/2019 in case of sanction of Building Plan by the Municipality.

Haldia- An agency has been engaged by the ULB for collection, transportation and processing of waste. The nodal officer was asked to share the terms and conditions of that assignment with SUDA for understanding of the business module at this end. The municipality did not yet issue notice to the Bulk Generators.

At the end of the meeting following plan of actions were finalised for execution at different ends:

**Sub: Compliance of Solid Waste Management Rules, 2016 by the Model Cities/
Towns within stipulated time period.**

Dear Shri

You are aware that the Government of West Bengal has accorded topmost priority to Municipal Solid Waste Management in this State. Under the relevant Municipal Corporation/Municipal Acts, it is an obligatory function of the Urban Local Bodies to manage municipal solid wastes. Compliance of the provisions under Solid Waste Management Rules, 2016 is mandatory for effective and scientific solid waste management with the actions like, i) Waste segregation at source, ii) Regular door to door collection of segregated waste, iii) Regular sweeping of roads and river ghats/banks, iv) Regular cleaning of drain and prevention of discharge of solid waste into the water bodies, v) Transportation of waste, vi) Scientific processing of bio degradable waste, vii) Proper Management of re-cyclable waste, viii) Proper Management of Construction & Demolition Waste, and ix) Disposing inert materials at Sanitary Landfill sites.

As per direction of Hon'ble National Green Tribunal vide O.A. No. 606/2018 dated 02.04.2019 (Clause No. IV, 39.ii of page no. 22 & 23) State Government vide Notification No. 40-JS(SM)/UD&MA/2019/ SUDA-332/2019 dated 25.04.2019 declared Asansol MC, Bidhannagar MC & Durgapur MC as Model Cities and Uttarpara-Kotrung, Baidyabati, Rishra, Kalyani & Haldia Municipality as Model Towns, which have to comply with all the provisions of Solid Waste Management Rules, 2016 within 6 months from the date of issue of the order. *i.e.* within September 2019. I do not believe that this huge task would be achieved without your wholehearted support, indeed, effective leadership.

The State Urban Development Agency has been holding workshops with members of your task force regularly and extending assistance. We are ready to extend all kinds of assistance towards these model cities including engagement of Transaction Advisers, empanelment of agencies for preparation of Micro Plan, supply of household bins

and vehicles and other equipments, development of IEC plans, capacity building of officials etc.

Considering the gravity of the matter, I would request you kindly make a concerted and intensive effort towards effective management of solid waste in your city/ town in compliance of Solid Waste Management Rules 2016. I strongly believe that under your dynamic and prudent leadership your wholehearted effort will be crowned with exemplary success.

Yours sincerely,

(Firhad Hakim)

Management Rules,2016)**

Sir,

The abovementioned matter was heard before the National Green Tribunal, Principal Bench on 02.04.2019 where the Tribunal has directed the State to take steps for compliance of Rule 22 and Rule 24 of SWM Rules, Bio Medical Waste Management Rules and Plastic Waste Management Rules to the extent not yet taken within six weeks (**para 39(i) of the order**). The Tribunal has also directed the State to notify on the website at least three major cities and as many major towns as model cities and towns within two weeks from the date of the order. The same shall be made compliant within next six months (**para 39(ii) of the order**). The remaining cities, towns and village Panchayats may be made fully compliant in respect of environmental norms within one year (**para 39(iii) of the order**).

You are requested to kindly take necessary action in the abovementioned matter and send a compliance report to this Department at the earliest.

Yours faithfully,
