Sub Request for support in Registration of Compactor & Hook Loader Chassis.

Sir,

We would like to draw your kind attention to the fact that State Urban Development Agency (SUDA) had procured 203 no. Compactors and Hook Loaders of BS-III compliance and those were distributed to different ULBs. Out of those, due to some unavoidable reasons, few were not registered. The list of such vehicles with Engine no. Chassis no etc are attached herewith.

You are therefore requested to accord one time approval as a special case, to enable us to register those vehicles.

Kindly treat the matter as most urgent.

Thanking you.

Yours faithfully,

Director, SUDA

Sub:- Prayer for allotment of portable compactor along with truck mounted hook loader.

Respected Sir,

Firstly congratulate you for awarding Bidhannagar Municipal Corporation 3 nos. movable compactors of 10.5 cum. capacity for collection of garbage at Salt Lake and 2 nos. stationary compactors with one truck mounted hook loader for Rajarhat sector. In total 5 nos. compactors for Bidhannagar Municipal Corporation.

After functioning all 3+2 compactors it is found that collection of garbage through compactor is most scientific and practical.

Under this circumstances we pray to your good office for awarding Bidhannagar Municipal Corporation more 5 nos. portable stationery compactor with 2 nos. truck mounted hook loader of 10.5 cum. and 5 nos. of movable compactors of 8 to 10.5 cum. capacity.

I solicit the favour of your kind approval.

Thanking you,

Yours sincerely

Sub : Requisite Infra-structure of SWM System (ab initio) for Pujali Municipality including collection, Transportation, Operationalisation of Compactor Machine and final Disposal of waste.

Ref : KMDA's No. : 631/KMDA/SD of SWM/W-201/09 Dt. 12.02.2010.

Sir,

With ref. to subject cited above, I would like to draw your kind attention in connection with the discussions and decisions taken in the meeting held on 06.08.2016, conference Room of KMDA, regarding disposal of Waste materials at municipal level. In this connection following findings/status may kindly be pursued for necessary consideration.

i) That Pujali is a newly constituted Municipality from rural set-up of Pujali Gram Panchayat area to cater to the needs of CESC Power Plant Project and extension of industrial activities . The SWM system has to be created here ab initio i. e. from the very beginning as there was no trace of any such system earlier. It is emphasized that constructing SWM system is quintessentially a typical issue, being unique and specific to Pujali Municipality . It is not an augmentation or further development of any existing system. (as prevailing in other Municipalities) A special project according to the distinctive nature of the Municipality is to be implemented for effective disposal of waste.

ii) This in view, KMDA Prepared the DPR for the same involving a cost of 368 lakh in 2010(copy enclosed). Agonizingly enough, that project was surrendered in the review meeting dated 26.03.2012 by KMDA(copy enclosed) and consequently, the Municipality had been left in the lurch on account of which, door to door Waste collection, transportation, use of compactor Machine and final disposal etc. have not been in place and land purchased for disposal of Waste has been remaining unutilized.

In this circumstances , I would like to propose the following for your kind consideration & necessary suggestion.

- To convene a specific meeting if required, to review the KMDA/MED initiative for Pujali Municipality only.
- To instruct implementation of the project with updated DPR exclusively for Pujali Municipality.
- To accord permission to purchase equipments for collection , transportation of waste and disposal.
- To help commissioning and operationalising the compactor Machine.
- To issue instruction as to how the wastes could be disposed of by expert agency using the purchased land .
- To allot necessary funds to carry out the programme for the above items.

Hope you will weigh the merits of the case in the interest of the people of Pujali and render advice to construct the basic and comprehensive infrastructure of SWM system.

With regards,

Yours faithfully,
