Sub: Comprehensive approach for scientific management on Solid Waste Management.

Sir/Madam,

I am directed to state that Urban Local Bodies are constantly facing the challenge of scientific disposal of Solid Waste Management. Management of Solid Wastes in terms of the provisions of Solid Waste Management Rules 2016 as well as mandatory provisions of Urban Municipal Laws is required to be carried out by adoption of an integrated & comprehensive plan across the State with a target to cover all the Urban Areas.

A number of efforts have been made by the U&MA Department so far to ensure that the solid waste are collected by the Municipal Bodies and disposed of scientifically by them. Under the Mission Nirmal Bangla, a lot of equipment e.g. garbage bins, compactors, hydraulic tippers and other vehicles, community bins have been provided to Municipal Bodies to assist them in systematic collection of garbage from individual holdings, their transportation and stacking before disposal.

Land has also been provided through inter departmental transfer to municipal bodies to set up dumping ground cum solid waste processing plants. In some cases these bodies have been permitted to purchase private land for setting up these facilities.

Present model of solid waste collection and disposal involves awareness generation among the population, expectation of segregation at source, door to door collection by the municipal bodies, intermediate storage of such collected waste, segregation at intermediate storage points, ultimate transportation to the disposal ground and segregation, recycling, processing (Bio-gas, RDF, compost as required) and finally scientific landfill with the residue.

It is, however, a fact that most municipal bodies don't have the technical capability, financial muscle and managerial competence to handle solid waste in a scientific manner. As a result, in spite of best intentions and substantial investments, these efforts have not resulted in any significant improvement of situation. The critical gap in our efforts to manage solid waste is in the areas of technical and managerial competence.

In the light of this experience and considering the lack of efficacy of the present methodology, it is suggested that we make a departure from the model followed so far and adopt a model, described in the following sections:

Proposed plan of action:

- 1) **Identification of clusters of municipal bodies** - Instead of each municipal body owning their own facility for processing and disposal of solid waste, which may not be technically and commercially viable, a cluster of municipal bodies will be formed with a common waste processing facility.

(59)

- 2) Since it will cover several municipal bodies and consequently a certain volume of solid waste, a waste processing agency would find it viable to run such a facility. Again arranging land for waste disposal for every municipal area is not easy, this cluster approach would be comparatively easy and also do away with requirement of land in every municipal body, which itself is a difficult proposition. However, the cluster approach would entail additional transportation of solid waste for some municipal bodies but an appropriate optimisation exercise may be done to minimise the transportation cost while maximising disposal of solid waste.
- 3) **Selection of one or more Transaction Advisors** to assist SUDA/KMDA for planning scientific solid waste disposal in the entire State. These Transaction Advisors are familiar with providing advisory services to different State Governments and would be required to provide the following services:
 - I. Identification of viable clusters of municipal bodies for solid waste management
 - II. Drafting of Request for Proposal (RFP) for selection of competent agencies for each of these clusters
 - III. Assisting Solid Waste Management (SWM) Cell located at SUDA to manage the bid process including evaluation of bids and selection of successful agency for each cluster.
 - IV. The drafting of tripartite agreement between the municipal bodies in the clusters, the SWM Cell of the Department and the selected agency
- 4) **The construction of standalone bio-gas plant and compost plants may be put on hold till selection of agency.** Since each agency has a preference for and an expertise in using certain technologies for waste segregation and disposal, the Department may not generally prescribe the technology to be used. This would ensure better participation of agencies. The agency responsible for putting in the equipment and running them may be made responsible for running the facility for 15 to 20 years depending on size of land, amount of waste etc.

Further details will be intimated in due course of time. However, it is clarified that existing system of solid waste management like segregation at source door to door collection, transportation to disposal site etc. by municipal bodies will be continued till the new plan of action come into a shape in phase wise manner.

Each municipal body may utilize the intervening time for a massive public awareness campaign and a plan for collection of solid waste from each holding, their transportation and maximising recycling.

The nodal officer from our end is the Director, SUDA who may be contacted for any clarification and assistance.

Yours faithfully,

Joint Secretary

Sir,

In inviting subject and reference and memos this is to inform you that eNIQ for the work as stated above , the following points are placed for your perusal and necessary action :

- That, the first call of e-Quotation for above stated work was invited vide e-NIQ No. WBMAD/JM/SWM/eNIQ-3/2017-18, Dt: 05.12.2017, vide Memo No. 3570/JM, date-05.12.2017 by the Chairman, Jalpaiguri Municipality, but only one bidder was technically qualified and communicated to the Chairman for re-tender vide memo no. MED/JPG/554/SWM/JAL-22/2017, Dt. 05.01.2018.
- That, the second call of e-Tender for the said work was again invited by the Chairman Jalpaiguri Municipality vide e-NIQ No. WBMAD/JAL/ SWM/eNIT-2(2ndCall) /2017-18, Dt: 16.01.2018 vide Memo No. 4295/JM dt.16.01.2018 and published in three news papers viz. The Telegraph, Dainik Jagran & Anandabazar Patrika on 20.01.2018.
- That, technical evaluation sheet of the Tender was done and submitted by the Office of the Ex. Engineer, MED vide Memo No. MED/ JPG/648/ SWM/JAL-22 / 2017, Dated 19.02.2018 and and four bidders namely (i) Gourika India Ltd. (ii) Minda Brothers (iii) OSL Automotives Pvt. Ltd. and (iv) Poddar Car World Pvt. Ltd. were participated
- That, Technical evaluation sheet of the Tender was verified and found that three bidders were technically qualified and recommended by the undersigned for opening of financial bid vide Memo No. ME /SE (N) /411/2W-123/2017, dtd. 20.02.2018 and subsequently which were approved by the Chairman, Jalpaiguri Municipality.
- That, Financial bids of said Tender were opened by the Chairman, Jalpaiguri Municipality and forwarded the Comparative Statement and other documents to the Office of the Executive Engineer, Jalpaiguri Division, MED for further action. The EE, Jalapiguri Divn. checked and verified the financial bids and subsequently forwarded to this office for further action. It was revealed from the CS that bidder that two bidders namely **OSL Automotives Pvt. Ltd.** quoted the lowest rate for It no.(i) i.e. Hook Lift Dumper Carrier and **Minda Brothers** quoted the lowest rate for It No. (ii) i.e. Hook Lift Dumper Container and stood L1 bidder.
- That, it was intimated to EE, Jalapiguri Divn. vide memo no. . ME /SE(N) /431/2W-123/2017, dtd. 23.02.2018 to arrange a table bid to lower down the quoted rates as the rates seem to be in the higher side. Subsequently the matter was communicated to the Chairman, Jalpaiguri Municipality with request to arrange a table bid to lower down the quoted rates vide memo no. MED/ JPG/ 669/ SWM/JAL-22 / 2017 Dated: 26.02.2018.

- g) The Chairman, Jalpaiguri Municipality held a table bid on 05.03.2018 in his chamber with OSL AUTOMOTIVES Pvt. Ltd. & Minda Brothers submitted their new rates after lowering down the quoted rates and specifications.
- h) On the basis of new quoted rates after Table bid, a Comparative Statement was prepared and forwarded by the Executive Engineer, Jalpaiguri Divn., vide his Memo No. MED/ JPG/697/ SWM/JAL-22 / 2017, Dated 07.03.2018.

Therefore, it may please be noted that an amount of Rs. 98.928 Lakh and Rs. 22.50 Lakh were earmarked for item no. (i) & (ii) in the approved DPR respectively and quoted amounts after table bid for these items are Rs. 56.0 lakh and Rs. 20.0 Lakh respectively, which are reasonable and acceptable and recommended for your approval and necessary action.

Further it may please noted that

- 1) In the case of item no. (iii) i.e. 1.80 cum Hopper Tipper with dry waste segregation System cannot be allowed at present since it is not included in the approved DPR.
- 2) For Item no. (iv) Hydraulic Dumper Truck (HDT) only Rs. 8.00 Lakh was earmarked for four nos of vehicles in the approved DPR but quoted rate is Rs. 68.40 Lakh which is much more than the amount earmarked in the DPR.

As these matters were intimated by the EE, Jalpaiguri Divn. MED, that the Chairman, Jalpaiguri Municipality will kindly to get approval from the competent authority, and to submit the same to this office for further necessary action.

Sir,

In inviting subject and reference and memos this is to inform you that eNIQ for the work as stated above , the following points are placed for your perusal and necessary action :

- That, the first call of e-Quotation for above stated work was invited vide e-NIQ No. WBMAD/JM/SWM/eNIQ-5/2017-18, Dt: 05.12.2017, vide Memo No. 3571/JM, date-05.12.2017 by the Chairman, Jalpaiguri Municipality, but no bidders were qualified in Technical evaluation , so it was recommended for 2nd Call by the Executive Engineer, Jalpaiguri Divn.
- That, the second call of e-Tender for the said work was again invited by the Chairman Jalpaiguri Municipality vide e-NIQ No. WBMAD/JAL/ SWM/eNIT-5(2nd Call) /2017-18, Dt: 16.01.2018 vide Memo No. 4296/JM dt.16.01.2018 and published in three news papers viz. The Telegraph, Dainik Jagran & Anandabazar Patrika on 20.01.2018.
- That, technical evaluation sheet of the Tender was done and submitted by the Office of the Ex. Engineer, MED vide Memo No. MED/ JPG/648/ SWM/JAL-22 / 2017, Dated 19.02.2018 and five bidders namely (i) CNH INDUSTRIAL INDIA Pvt. Ltd. (ii) GOURIKA INDIA LTD. (iii) MAA KALI MOTORS (iv) MINDA BROTHERS and (v) SADSON ENGINEERING CO. were participated.
- That, Technical evaluation sheet of the Tender was verified and found that all five bidders were technically qualified and recommended by the undersigned for opening of financial bid vide Memo No. ME /SE (N) /411/2W-123/2017, dtd. 20.02.2018 and subsequently which were approved by the Chairman, Jalpaiguri Municipality.
- That, Financial bids of said Tender were opened by the Chairman, Jalpaiguri Municipality and forwarded the Comparative Statement and other documents to the Office of the Executive Engineer, Jalpaiguri Division, MED for further action. The EE, Jalapiguri Divn. checked and verified the financial bids and subsequently forwarded to this office for further action. It was revealed from the CS that bidder CNH INDUSTRIAL INDIA Pvt. Ltd. quoted the lowest rate for both items and stood L1 bidder.
- That, it was intimated to EE, Jalapiguri Divn. vide memo no. . ME /SE(N) /431/2W-123/2017, dtd. 23.02.2018 to arrange a table bid to lower down the quoted rates as the rates seem to be in the higher side. Subsequently the matter was communicated to the Chairman, Jalpaiguri Municipality with request to arrange a table bid to lower down the quoted rates vide memo no. MED/ JPG/ 669/ SWM/JAL-22 / 2017 Dated: 26.02.2018.

Sub. : Revised budget for Solid Waste Management Project of Jalpaiguri Municipality, under Mission Nirmal Bangla (U)/Swachh Bharat Mission (U) – Regd.

Ref.: 1. Memo No.: 1178/M dated 14.06.2018 of the Chairman, Jalpaiguri Municipality

Sir,

Reference above, the Chairman, Jalpaiguri Municipality had mentioned that the procurement of different vehicles and machineries are going on in full swing for the SWM Project sanctioned under MNB (U)/SBM (U).

In continuation, he had stated that some new kinds of vehicles (small) are urgently required, so that the household wastes may be collected smoothly from door to door.

Now, he had placed a revised budget/estimate along with a list of vehicles for approval from this end. The total cost of the project will be lying within the sanctioned DPR cost.

Thus, it is requested to look into the matter and give necessary opinion in this regard.

Yours faithfully,

Encl.: As stated.

Sub: Submission of revised budget for SWM project under Jalpaiguri Municipality

Sir,

The undersigned would like to inform you that the procurement of different vehicles and machineries are going on in full swing for the SWM projects of Jalpaiguri Municipality. In this connection it is to state you that some new kind of vehicles (small) are urgently required, so that the household wastes may be collected smoothly from door to door of urbanities of Jalpaiguri town. Again this is to inform you that proposed land for biogas plant is under possession of Jalpaiguri Municipality and Construction work will be started very soon.

Therefore, a revised budget along with a list of vehicles are hereby forwarded to you for your kind approval so that the actual vision of the project may be achieved in all respect.

It is need to be mentioned that a total amount after revision is well within the sanctioned DPR cost

Sub: Request for approval for Additional Fund for the Vehicles and Accessories .

Sir,

This is to inform you that there is an additional requirement of fund for some additional component . the Additional components are i) Hopper Tiper, ii) Battery Operated E-rikshaw, iii) 2DX Small Back Loader.

In our previous estimate we have mentioned Cess Pool Tanker trailer now we would like to modify it to Cess Pool -vehicle attached Tanker trailer.

Moreover, in our previous estimate we have wrongly mentioned the rate(Rs 200000) of Hydraulic Dumper Truck-HDT/ordinary Truck which is hereby by modified to Rs17,00000/- . Due to this addition of components and modification of rates an extra amount of Rs 83,80,000/-(Eighty Three Lakhs eighty thousand only/-) is required . I would earnestly request you to kindly approve the addition amount required which will enable this ULB to implement the solid waste management programme effectively .

The abstract cost of the project and the abstract of equipment and administrative and financial approval of the project is hereby is attached herewith.

This is for your kind information and necessary action

Thanking you

Yours faithfully
