for SUDA

Ref:- 1796-NGRBA/SPMG/Ganga Committee-374/2017(P-1) dated:- 05.04.2019

Sub :- Screens across channels/drains and IEC activities.

Madam,

As per order of programme Director of WSPMG & CEO KMDA, this office has installed Screens in 16 places and also made IEC activities for awareness of Solid Waste Management. As per above referred letter of the completion of work, fund requirement was made in the prescribed proforma which was sent to PD, WSPMG & CEO, KMDA. But no fund has yet been allotted and as such the payment has not been made.

Now it is learnt that the said claim will have to make through your kind esteem for which and sending again the total papers as was sent before is further sent to your corner for taking immediate action for getting the fund.

With regards,

Sri B. K. Pal

Sub.: Installation of screens on different location of drains discharging into the main stream of river Ganga – a gentle reminder.

Ref.: 1. Our memo. no. SUDA-229/2018/1611 dated 31.12.2018

Madam,

As requested by the Hon'ble Chairperson, West Bengal State Level Committee, constituted under the direction of Hon'ble National Green Tribunal, in its 4th meeting held on 26.06.2019 at Subhanna and in continuation of our earlier memorandum no. SUDA-229/2018/1611 dated 31.12.2018, it is further requested to take necessary steps to ensure installation of screening devices on all the drains/nullahs to trap solid waste entering into the river Ganga, before it joins the river and mechanism of regular cleaning of such devices.

It has been learnt that WBSPMG had taken initiatives to trap/construct STPs for all the identified 57 nos. of drains having discharge more than 1MLD, in consultation with WBPCB. It is thus requested to kindly inform this office with its present status of work for onward communication to the Hon'ble Chairperson, WBSLC.

Thanking you.

Yours faithfully,

SPF 26/7/19

Monthly meeting of NGT State Level Committee for SWM, West Bengal

Activities related to solid waste management undertaken in the month of July, 2019 in UD&MA Department.

1. Implementation of solid waste management in Model Towns/Cities
 - i) Fortnightly review meeting held with ULB level nodal officers at SUDA.
 - ii) Town/city specific action plan submitted by all model ULBs
 - iii) Training of rag-pickers and conservancy worker scheduled to be held during August, 2019. A safety kit with jacket, gloves, mask and cap planned to be delivered at the end of training.
 - iv) Bulk generators within municipal areas have been identified. Notice issued to them for undertaking waste processing at their end.
 - v) It has been targeted to motivate at least one BWG to initiate waste processing at source during the month of August.
 - vi) Bin and vehicle procurement process initiated. 1st phase of procurement for BMC will be completed by the middle of August.
 - vii) Notification ?

2. Implementation of solid waste management in the Ganga towns.

- i) Directives of the hon'ble Chairman as given in the last meeting communicated to the authorities of all the Ganga towns.
- ii) Engineers from SUDA visited 8+.....Ganga towns during the month and communicated their findings to the respective ULBs

Sub. : Installation of Steel Screens on outfall of River Ganga.

Sir,

This is to inform you that as per direction of NGT all outfalls to the River Ganga must have screens to prevent floating materials from entering the river.

As such you are requested to install the said screen on all the outfalls under your jurisdiction within HMC mainly Swarnamoyee Khal and Howrah Drainage Canal within 31.03.2019,
An earlier compliance will be highly appreciated.

Yours Sincerely,

Sd

To,
The Chief Executive Officer,
Kolkata Metropolitan Development Authority,
Bidhannagar, Kolkata

Sub. : Installation of Steel Screens on outfall of River Ganga.

Sir

This is to inform you that as per direction of NGT, all the outfalls to the River Ganga must have screens to prevent floating materials from entering the river.

In this context, it is mentioned that there are several Lifting and Pumping stations for STP within Howrah Municipal Corporation which are managed by Kolkata Metropolitan Development Authority (initially KMWSA).

The outfalls under Kolkata Metropolitan Development Authority are follows-

- i. Foreshore Road (near Pumping Station)
- ii. Salt Gola Road
- iii. Golabari Ghat
- iv. Hanuman Jute Mill

In view of the above, may I solicit your kind intervention, so that KMDA may take up installation of screens within the timeframe, as stipulated by MA Department.

Yours faithfully

Hooghly - 712136

Sub: Complain about the polluted water of Baidyabati Khaal discharging into Ganga river.

Sir/Madam,

This is to inform you that, as per the NGT (National Green Tribunal) guideline we have installed screeners in 24 small outfalls discharging into the river Ganga. But unfortunately we have not been able to install screener at the biggest outfall, known as Baidyabati Khaal is under the jurisdiction of your department. Also the water of Baidyabati Khaal is highly polluted, therefore we are requesting you to take necessary action to control the pollution spread into the Baidyabati Khaal and install screeners in the Khaal so that the direct fall of garbage into the Ganga river can be controlled.

Please take necessary action in urgent basis.

Thanking you,

Yours faithfully,
Sd/-

Minutes of the Meeting on Municipal Solid Waste Management and Monitoring of Ganga Towns

Date: 10th July 2019

Time: 12.00

Venue: SUDA Conference Hall

The Director, SUDA chaired the meeting.

The Deputy Director, SUDA briefly explained the objective of the meeting and requested the representatives of the concerned municipalities to briefly explain the action already taken by them in connection with solid waste management in municipal towns. Directives of the NGT State Committee accorded in the last meeting dated 26.06.2019 were explained to the participants. Status on different milestones required to be achieved for effective waste management in cities was updated.

After detailed discussions following decisions were taken:

1. The GVPs and Animal Pens still exist in different municipal areas should be removed immediately. The concerned ULBs will submit a compliance report by 25.7.19.
2. The drains where screens are not yet installed should immediately be identified and necessary installation work should be taken up.
3. The ghats where IEC materials are not displayed and bins are not provided should immediately be identified and necessary actions should be taken up.
4. The drawing/design and estimates for the screening on drain as provided by SUDA/KMDA should ideally be followed. If required, considering the site condition
5. design and estimate may be customized by the AE/SAE of the Municipality subject to getting it vetted by AE/EE of KMDA or ME Dte.
6. It is understood that work related to screening on small nullah/drain has been executed by the Municipal Authority of its own. In case of requirement of funds for installation of screens above 1.2 m X 1.2 m reimbursement of funds may be claimed with work done estimates duly vetted by the concerned Executive Engineer of KMDA/ME Dte.
7. The ULBs will submit a list of such drain/canal lying within the locality of the municipal area but maintained by other government department/ authorities.
8. It was explained that integrated solid waste management plan is required to be taken up in the Ganga towns instead of abrupt planning for procurement of vehicles or installation of waste processing plant. The Nodal Officer SWM in Municipality will explain the concept along with

7. The ULBs will submit a list of such drain/canal lying within the locality of the municipal area but maintained by other government department/ authorities.
8. It was explained that integrated solid waste management plan is required to be taken up in the Ganga towns instead of abrupt planning for procurement of vehicles or installation of waste processing plant. The Nodal Officer SWM in Municipality will explain the concept along with

different provisions of SWM Rule 2016 before SWM Task Force members for better understanding of the issues.

9. For effective SWM planning in towns, SUDA is in a process to empanel Micro Planning Organizations. ULBs may send proposal to SUDA for providing consultancy and capacity building support so that integrated planning process for solid waste management can be undertaken in the respective town.
10. The ULBs will take initiative for searching of suitable land for establishment of different SWM facilities. The project can also be planned on cluster basis clubbing few adjoining municipalities to overcome land constraints.
11. The ULBs will submit details of the land procurement or inter departmental land transfer proposals to SUDA that are already under process immediately.

Finally the Joint Secretary of UD & MA Dept. And the additional Mission Director, SBM reminded the house that compliance the SWM Rule-2016 should mandatorily be made in time as the SWM activities are under active surveillance of hon'bleNGT.

Meeting ended with thanks to and from the chair.

Director, SUDA

Committee on SWM under Honourable NGT

Ref letter No : SUDA - 50/2016/4505 (42)

Dated : 05/07/2019

Sir/Madam,

As per reports provided from your end regarding installation of screens on Nullah/Drains/Outfall discharging into the river GANGA and dumpsites by the bank of the river GANGA, the following observations are recorded.

- No of the Dumpsites along the River GANGA :- 01 Nos

With reference to the above you are requested to submit an action taken report on above issues positively by 25.07.2019 for submission of the same before to the West Bengal State Level Monitoring Committee on SWM under Honourable NGT.

In case of non-compliance specific reasons are needed to be mentioned indicating timeline for completion of the work at the earliest.

Please treat this as extremely Urgent

Yours faithfully

Date - 29/06/2019

To
The Executive Engineer,
Irrigation Department, WB. Govt.
Lichubagan , Chandannagar
Hooghly - 712136

Sub: Complain about the polluted water of Baidyabati Khaal discharging into Ganga river.

Sir/Madam,

This is to inform you that , as per the NGT (National Green Tribunal) guideline we have installed screeners in 24 small outfalls discharging into the river Ganga. But unfortunately we have not been able to install screener at the biggest outfall , known as Baidyabati Khaal is under the jurisdiction of your department. Also the water of Baidyabati Khaal is highly polluted, therefore we are requesting you to take necessary action to control the pollution spread into the Baidyabati Khaal and install screeners in the Khaal so that the direct fall of garbage into the Ganga river can be controlled .

Please take necessary action in urgent basis.

Thanking you,

Yours faithfully,
Sd/-

Fuleswar, Uluberia
Howrah, West Bengal- 711316

Sub. : Installation of Steel Screens on outfall of River Ganga.

Sir,

This is to inform you that as per direction of NGT all outfalls to the River Ganga must have screens to prevent floating materials from entering the river.

As such you are requested to install the said screen on all the outfalls under your jurisdiction within HMC mainly Swarnamoyee Khal and Howrah Drainage Canal within 31.03.2019,
An earlier compliance will be highly appreciated.

Yours Sincerely,

Sd

To,

The Chief Executive Officer,
Kolkata Metropolitan Development Authority,
Bidhannagar, Kolkata

Sub. : Installation of Steel Screens on outfall of River Ganga.

Sir

This is to inform you that as per direction of NGT, all the outfalls to the River Ganga must have screens to prevent floating materials from entering the river.

In this context, it is mentioned that there are several Lifting and Pumping stations for STP within Howrah Municipal Corporation which are managed by Kolkata Metropolitan Development Authority (initially KMWSA).

The outfalls under Kolkata Metropolitan Development Authority are follows-

- i. Foreshore Road (near Pumping Station)
- ii. Salt Gola Road
- iii. Golabari Ghat
- iv. Hanuman Jute Mill

In view of the above, may I solicit your kind intervention, so that KMDA may take up installation of screens within the timeframe, as stipulated by MA Department.

Yours faithfully
