

NOTE SHEET

SUDA

Sub: Proposal for providing fund for public awareness and IEC activities to 26 cities, one Industrial Township Authority and one Development Authority.

Solid Waste Management has become a burning issue to keep the environment clean, green, hygienic and liveable. For this, Government of India has notified Solid Waste Management Rules, 2016 and the compliance of which is being extensively monitored by Hon'ble National Green Tribunal through its Apex Monitoring Committee & respective State Level Committees.

It is observed that, around 14000 MT per day Municipal Solid Wastes are being generated in the 125 Urban Local Bodies (ULBs) of West Bengal. For this, State Government has given major thrust on planning, implementation and monitoring of Integrated Solid Waste Management in its 125 ULBs, 3 Industrial Township Authorities and 19 Development Authority Areas, and simultaneously in rural areas also.

It is realized that, this mammoth task/challenge of Solid Waste Management in 125 ULBs, 3 Industrial Township Authorities and 19 Development Authority Areas, may be achieved in short run only taking it in Mission Mode comprehensive approach and at the outset launching extensive Public Awareness/Behavioural Change Communication Programmes developing several IEC materials.

Hence, it is being proposed that a fund may be allotted to 26 cities, one Industrial Township Authority and one Development Authority (as detailed below) taken up in 1st phase as model cities, proposed model cities and cluster cities being examined by the Transaction Advisors, for implementing public awareness and IEC activities on Solid Waste Management within their jurisdiction.

Placed for kind approval.

If approved, ward wise Rs.25,000/- for the cities and lump sum Rs. 5,00,000/- for Development Authority and Industrial Township Authority may be sanctioned for this purpose.

If approved, details of total fund requirement of Rs.2,34,00,000/- (Rupees two crore thirty four lakh only) is placed in the table below:

Sl. No.	Name of ULB/ ITA/ DA	No. of Ward	Population (2011 census)	Category of City	Amount proposed Rs.25000/- Per ward	Central Share @75%	State Share @ 25%
1	Asansol Municipal Corporation	106	1100357	Model City	2650000	1987500	662500
2	Ashokenagar-Kalyangarh Municipality	23	121592	Cluster-3	575000	431250	143750

23	Rishra Municipality	23	124577	Model City & Cluster-4	575000	431250	143750
24	Serampore Municipality	29	181842	Proposed Model City & Cluster-4	725000	543750	181250
25	South Dum Dum Municipality	35	403316	Cluster-1	875000	656250	218750
26	Uttarpara-Kotrung Municipality	24	159147	Model City & Cluster-4	600000	450000	150000
27	Nabadiganta Industrial Township Development Authority		524	Cluster-2	500000	375000	125000
28	Newtown Kolkata Development Authority			Cluster-2	500000	375000	125000
		896	10480590		23400000	17550000	5850000

If approved, a draft memorandum is placed for the ULBs/ ITA/ DA.

(Sujoy Mitra)

Chief Manager – Planning & Monitoring

Deputy Director

Considering the fact that the above mentioned cities are to be given top most priority in compliance with the directives of NGT (as Model cities) & there coming under the purview of smart approach for which TAs have been engaged, mass awareness generation is required for proper microplanning with special emphasis on 100% waste collection, source segregation, promulgation of anti littering message, ODF status achievement etc.

As such, we may submit ~~some~~ ^{as proposed} funds for IEC activities for proper implementation as per IEC Rule 2011, if approved.

13/5/19

Director, SUDA

NSP 1-2 may be referred to.

A

Funds to the tune of Rs 2.34 cr (Rs 25000 x 896 wards and Rs 500000 for NKDA and NDITA each) for initiating IEC activities on solid waste management in model cities/cluster cities may be released to 26 municipalities/municipal corporations and NKDA, NDITA considering sanction order no 473(sanction)MA/P/C-10..dt 23.3.17 where existing balance is Rs 22.36 cr.

Further, reference to the meeting held with creative designing agencies under I&CA Department yesterday at Nagarayan and previous discussion with the State Coordinator, Centre For Environment Education at SUDA for development of IEC materials on SWM, it was understood, the IEC materials that we are thinking of for awareness campaign all over the State, need to be developed centrally, keeping conformity with the provisions vide SWM Rule 2016 so that uniform message can be percolated throughout the State for different stakeholders. That is why Centre for Environment Education, a Centre of Excellence under Ministry of Environment and Forests, Gol, working since 1984 with a mandate to promote environmental awareness nationwide, may be approached for providing content of the IEC materials for different format including poster, banner, hoarding, booklet, leaflet, audio-visuals, etc. The institute also got empanelled with MoUFA, Gol since 2013-14 for providing support to the cities/towns across the country for solid waste management.

B

Based on the presentation to be given by the agencies empanelled with I&CA Deptt on 21.5.19 at Nagarayan, the creative designing of different IEC materials may be awarded to the competent one. By this time, if approved, CEE may be approached for providing a comprehensive IEC plan on SWM along with contents of different format against item wise cost.

Submitted for approval of proposal A & B.

Sub: Proposal of Centre for Environment Education (CEE) for providing consultancy service on IEC for SWM and promoting circular economy in West Bengal

Smt. Reema Banerjee, Programme Director- East, Centre for Environment Education (a Centre of Excellence of the Ministry of Environment, Forest & Climate Change, Government of India, details at the organization is placed at CP- 44 to 61, and also the empanelled agency of Ministry of Urban Development, Government of India for providing support to the Cities/ Towns for SWM, list placed at CP-28) vide her communication dated 30.05.2019 (CP- 63) express their interest to provide the consulting services to SUDA on IEC for Solid Waste Management and promoting circular economy in West Bengal.

Brief of her proposal including technical proposal with budget estimate are placed below:

- (i) Development of Communication plan based on the situational analysis and for presenting the IEC need for various stakeholders, the core messaging and appropriate methods for communication with them, potential opportunity and risk and addressing strategy. The plan will also proposed the media strategy and outreach activities to be undertaken over the next few weeks and months linked to the key milestones of implementation alongwith development of a Logo/ Mascot with a Tagline for the communication plan. Details placed at CP-41 to 42.
- ii) Development and printing of the communication messages as per the final communication plan. Details placed at CP-41.
- iii) Rolling out of the communication strategy and outreach in Kalyani/ Bidhannagar : CEE proposed to handhold and rollout the communication strategy in one of the Model town i.e. Kalyani/ Bidhannagar. The outreach team will be developed by the Model town authority and CEE will provide handholding support and training to them. CEE will developed a monitoring mechanism for effectiveness of the system. Details placed at CP-40 to 41.
- iv) CEE proposed to be included as Knowledge Partner in the entire Solid Waste Management strategy of the state as taken by UD&MA Department with the help of their in house and associated experts, who will work in collaboration with UD&MA Department in attaining good model of SWM (Details placed at CP-39 to 40). In this connection the key experts who would be involved from CEE core team and expert panels are Smt. Reema Banerjee, Smt. Madhavi Joshi, Smt. Sanskriti Menon, Ms. Preeti Rawat Kanaujia, Prof. Brajesh Kumar Dubey, Dr. Prasad Modak, Sri Shantanu Roy, Smt. Sivaranjani Subhranian and CEE studio team. Details of the qualification and experience of these experts are placed at CP-36 to 39.
- v) **Budget:** Component wise proposed budget of CEE excluding GST/ Service Tax are placed below: (details placed at CP-32 to 35).

Sl. No	Budget Items	Budget (Rs. In Lakh)	Payment terms
1	Development of Communication Plan and related activities	23.00	30% in advance and subsequent payment time to time
2	Development and printing of Communication messages	Not mentioned	
3	Rollingout of Communication strategy and outreach in Kalyani/ Bidhannagar	40.25	30% in advance and subsequent payment 14% in every month.
4	Knowledge partner (Technical / Communication and policy)	64.40	25% in advance and subsequent payment 6.25% in every month.
TOTAL		127.65	

Now, it is being proposed that CEE may be engaged for the following activities to promote effective implementation of SWM in the 125 ULBs of West Bengal as per SWM Rules, 2016:

- i) Development of Communication plan.
- ii) Development of the communication messages as per the final communication plan, where as the printing will be made by the ULBs concerned.
- iii) Handholding support to the Model town Kalyani for rolling out the communication strategy.
- iv) Knowledge Partner of UD&MA Department vis-à-vis SUDA in the entire Solid Waste Management strategy of the state.

Placed for kind information and approval. If approved,

- i) Actual budget will be calculated at the time of engagement of CEE, depending upon the volume of activities. At the time of engagement, 10% mobilization advance may be paid to them.
- ii) The expenditure will be incurred from the IEC & Public awareness component and Capacity Building & A&OE component of SBM(U) as deemed fit.

 (Amitava Das)
 Deputy Director

Director, SUDA

Note at prepage & above.
 Details of proposal with cost against deliverables is at 'x' prepage which may be accepted except sl 2.
 For development and printing of IEC materials we may engage state level agency enlisted with D&CA Dept.
 CEE is a national level expert agency for SWM, empanelled with GOI (details at flag 'A'). Therefore, for overall IEC planning, content development, plan execution in Kalyani municipality and one year knowledge partnership with SUDA, CEE may be engaged at a negotiated rate on nomination basis, if approved.

Observation of Group-T

T-0222(2019-20)

File No: SUDA-313/2015

We may request the Admin Department to resubmit the file with the following :-

- (1) Specific views of FA of the Deptt.
- (2) The reasons for assigning the work on nomination basis without inviting tender.
- (3) As the Admin Deptt. has already moved a file for engagement of TA for various ULBs, whether further engagement of CEE will account for duplication of work.

Sd/-
Additional Chief Secretary
04.07.2019

Director, SUDA

TO

UD & MA / Deptt

Pradip Das. S.O.

F.D.

FD's observation at NSP-8 may kindly be seen.

In response to query 2 i.e 'the reasons for assigning work on nomination basis without inviting tender', it may be explained that the objective of the proposed assignment is to formulate a comprehensive IEC, capacity building and training plan with communication materials to i) inform various stakeholders about waste management system as mandated in SWM Rule 2016 and initiatives taken by ULBs to manage municipal solid waste ii) educate the community on waste segregation norms along with the concept of recycling and reuse of waste and what they have to do for compliance iii) inspire and motivate the urban folk in understanding the issues of waste management so that their surroundings can be kept clean and healthy.

It requires specific technical knowledge and expertise and command over the subject with appropriate delivery mechanism to roll out the publicity campaign on SWM across the State which may not be ascertained by inviting tender/proposal from creative designing agencies. So it is proposed to nominate an organization like CEE, working since 1984 as a Centre of Excellence under MoEF and empanelled with MoHUA in association with NIUA and TERI for providing support to cities on SWM. As an expert agency CEE may provide support to SUDA, the State level Nodal agency under UD & MA Department for SWM towards development of an IEC concept plan and content of the suggested IEC materials with capacity building and training guidance initially for one year. Based on their concept plan, IEC materials in different format including poster, banner, TVC, Radio jingles, press advertisement would be assigned for development to the creative agency/agencies empanelled with I&CA Department following I&CA Notification no 3083/DI dtd 1.11.2017.

Next, in reply to Query 3 i.e. 'As the Admin Deptt has already moved a file for engagement of TA for various ULBs whether further engagement of CEE will account for duplication of work' it may be clarified that the Transaction Advisors empanelled with FD have been engaged by SUDA for providing advisory services towards development of an integrated SWM plan along with bid process management for selection of appropriate waste processing agency in four cluster based SWM projects covering 20 municipal towns and would likely be engaged for few more cities while the present proposal deals with development of a model IEC plan for implementation of solid waste management in municipal towns along with content of IEC materials for different stakeholders. So the scope of work as envisaged for the proposed assignment is totally different from the services generally provided by TA and thus question of duplication of work may not be raised.

In reply to query 1 FA of the Department may kindly be requested to give his specific views as sought for.

Pr. Secretary

~~Director-SUDA~~

Pl. see next pg.

Pl. put up the file with details as discussed in the chamber of Pr. Secy, UD&MA on 16.07.19

In addition to replies at NSP-9 it may further be mentioned that

1. CEE, being a national level organization has a complete office setup in Kolkata. It may conveniently cater services to different ULBs across the State as and when required.

2. NGT in its order dated 02.04.2019 in connection with O.A. 606/2018 directed the State Government to ensure implementation of solid waste management in model town/ cities in the State (5 Municipalities and 3 Municipal Corporation have already been notified) within next 6 months from the date of issue of the order and in other cities by April, 2020. To attain these time lines comprehensive capacity building and training are required to be planned for officials, elected representatives, SHG members, health workers to ensure community awareness and behavioral change among community. That is why expert organization like CEE, that has vast experience in the field of training, capacity building on waste management (CP-50 to may be referred to) may be recommended to be engaged at the State level for developing communication plan uniformly for all ULBs and extending training and capacity building support to the different stake holders at ULB level.

In view of above the proposal may kindly be considered.

U.O. No. SUDA.372

Dated 17.07.19

File No. 313/2015

FA's queries at page-8/N
are referred to.

#1) FA's views above, may be
considered.

#2) This is explained at page
-9 and 10/N.

#3) This agency is proposed
for helping ULBs come up with
~~Microplans~~ which is content
generation of public awareness
- messages that would go into

FA
UD & MA Deptt.

17/7/19

leaflets, ~~to~~ hoardings etc.
 The actual creative design etc. would be carried out by I&CA Dept.'s nominated agencies at approved rates.

CEE would also be responsible for capacity building of UB functionaries.

CEE's role is different from that of the TAs, ~~which~~ who are essentially responsible for the technical component of scientific solid waste disposal, preparation of bids for selection of Concessionaire etc., and process management.

FD may kindly agree to appointment of CEE on nomination basis.

Notes Prepage.

The observation of Finance Department at n.s.p.8 may please be referred to.

The Director of SUDA being the State-level Nodal Agency (SNA) of Solid Waste Management(SWM) under Swachha Bharat mission(SBM) has replied to queries of FD on point 2& 3 (at n.s.p.9 & 10) which is self-explanatory.

Further, it may be stated that the MoUD, GoI has empanelled 47 nos. of Agencies for providing support to the cities/ Towns for solid waste management(c.p.31). Centre for Environment Education (CEE East), the agency proposed for selection remains in the said list at s. no.29. The point of advantage of selection of CEE East as stated by the SNA is that the Agency has complete set-up of office at Kolkata which other in the list do not have.

Further, the NGT has directed the State Government to implement Solid Waste Management in all Towns/Cities by April, 2020. If the Agency is selected through nomination procedure, as per SNA the compliance of NGT directives can be ensured within the stipulated time.

Under this circumstance, we may offer our views to refer the file to Finance Department, Group-R, for selection of the agency as proposed by the Director, SUDA (SNA) in terms of Para 4.1 of Finance Department G.O. No. 8385-F(Y) dated 22.11.13 in relaxation of Para 1.5.3 of the said G.O. at the price within the budget of Rs.127.65 Lakh (n.s.p.5, marked 'X') for those components which would be actually required.

Sub: Proposal for providing fund for public awareness and IEC activities to 99 cities.

Solid waste management has become a burning issue to keep the environment clean, green, hygienic and liveable. For this, Government of India has notified Solid Waste Management Rules, 2016 and the compliance of which is being extensively monitored by Hon'ble National Green Tribunal through its Apex Monitoring Committee & respective State Level Committees.

It is observed that, around 14000 MT per day municipal solid waste are being generated in the 125 ULBs of West Bengal. For this, State Government has given major thrust on planning, implementation and monitoring of Integrated Solid Waste Management in its 125 ULBs, 3 Industrial Township Authorities and 19 Development Authority Areas, and simultaneously in rural areas also.

It is realized that, this mammoth task/ challenge of solid waste management in 125 ULBs, 3 Industrial Township Authorities and 19 Development Authority Areas, may be achieved in short run only taking it in Mission Mode comprehensive approach and it the outset launching expensive Public Awareness/ Behavioural Change Communication Programmes developing several IEC materials.

In this connection it is to be mentioned that SUDA has already released Rs.2.34 crore to 26 Municipalities and NKDA & NDITA (NSP-1&2) for public awareness and IEC activities.

Now it is being proposed that a fund may be allotted to the remaining 99 cities (as detailed below) for implementing public awareness and IEC activities on solid waste management within their jurisdiction.

Placed for kind approval.

If approved, ward wise Rs.25000/- for the cities may be sanctioned for this purpose.

If approved, details of total fund requirement of Rs.51,050,000/- is placed in the table below for kind approval:

Sub: Release of fund to 22 Districts for implementing public awareness and IEC activities on Solid Waste management under Swachh Bharat Mission (U) / Mission Nirmal Bangla (U).

It may kindly be recalled that as per direction of Hon'ble NGT vide O.A No. 606/2018 dated 02.04.2019 at clause No. 20, all the District Magistrates have formed Special Task Force for awareness on solid waste management by involving educational, religious and social organizations, including local eco-clubs in their respective districts especially in the Urban areas.

In the mean time, for implementing extensive public awareness activities in Urban areas of West Bengal on Solid Waste Management, State Government has approved banners, posters and leaflets, which has already been circulated to all the Urban Local Bodies of West Bengal for taking necessary action and subsequently the fund has been released to them for printing, distribution and display.

Now it is being proposed that the same IEC contents may be provided to all the district administrations for displaying in the places of importance and public offices.

Place for kind approval.

If approved, it is further being proposed that for printing of the above mentioned IEC materials, a fund in the tune of Rs.5 lakh to each district may be provided.

If approved, for 22 districts except Kolkata, Rs.1.10 crore (detailed calculation is placed at **Flag-A**) may be provided from the IEC / public awareness component of SBM(U).

The draft Memorandum is also placed at **Flag-B**.

Sub: Proposal for Selection of an expert agency for development of IEC materials and capacity building plan for awareness generation on Solid Waste Management and Water Conservation in the urban areas of West Bengal.

It may kindly be recall that State Government in UD&MA Department has taken several initiatives for solid waste management to comply the Waste Management Rules, 2016 and the time to time direction of Hon'ble National Green Tribunal. As per direction all the District Administrations have constituted their Special Task Force for monitoring the solid waste management activities in the respective districts and also the individual ULBs have formed ULB level Task Force for effective implementation of SWM.

In the light of the above, it is realized that for successful and sustainable implementation of SWM activities extensive public awareness is very much essential.

Hence, it is being proposed that an expert agency for development of IEC materials and capacity building plan for awareness generation on Solid Waste Management and Water Conservation in the urban areas of West Bengal may be engaged for supporting the State Government in UD&MA Department/ SUDA.

Placed for kind approval.

If approved, as per direction of Finance Department (Placed at **NSP-13**) to invite limited tender from the list of agencies prepared by Ministry of Urban Development vide File No. A-46020/3/2013-EA (Placed at **Flag-A**) for selection of above mentioned agency.

If approved, a draft Request for Proposal for floating the limited tender is placed in the file at **Flag-B**.

The prebid meeting held on 12.9.2019.

On the basis of query received online and discussion held in the meeting, the draft corrigendum is placed in the file for kind approval.

 12.9.19

Addl. Director

After issuance of Corrigendum, following 3 agencies have submitted their bid on the last date of submission i.e. 20.9.2019. As per clause in RFP, The technical bid opened on 23.9.2019.

- 1) Centre for Environment Education.
- 2) All India Institute of Local Government.
- 3) SYCOM Projects Consultants Pvt. Ltd.

As per RFP, for evaluation, all the above mentioned organizations/agencies may be requested to

Sub: Bid evaluation for Selection of an expert agency for development of IEC materials and capacity building plan for awareness generation on Solid Waste Management and Water Conservation in the urban areas of West Bengal.

May kindly recall N.S.P. 23 to N.S.P. 25 regarding floating of RfP for engagement of above mentioned agency.

Three agency viz Centre for Environment Education (CEE), All India Institute of Local Self Government (AIIISG) and SYCOM Projects Consultants Pvt. Ltd. applied. The bids have been evaluated by three members committee – Smt. Debarati Datta Gupta Director, SUDA, Sri Santanu Mukherjee, Joint Secretary, UD&MA Department and Additional State Mission Director, MNB(U), and Sri Joly Chaudhuri, Joint Secretary, UD&MA Department and Additional State Mission Director, DAY-NULM & PMAY.

In technical evaluation it is found as per clause of the RfP all the agencies have crossed the pass marks i.e. 70 and CEE score highest (Placed at **Flag 'I'**).

In financial evaluation (Placed at **Flag 'J'**) it is observed that SYCOM has given the lowest rate.

The combined evaluation is done through quality and cost based selection method. It is observed that M/S CEE became L-1 with the total highest score of 82.40 (Placed at **Flag 'K'**). The detailed placed in table below:

Sl. No	Name of the Bidder	Technical Evaluation Score out of 100 Marks	70% of Technical Evaluation Score secured	Financial Evaluation Score out of 100 Marks	30% of Financial Evaluation Score secured	Total Score Obtained by the bidder on 100 Marks	Rank
	1	2	3	4	5	6 = (3+5)	7
1	CEE	96.33	67.431	49.91	14.97	82.40	1
2	AIIISG	76.33	53.431	55.59	16.68	70.11	2
3	SYCOM	71.67	50.169	100	30.00	80.17	3

Now, it is being proposed that as per evaluation of the bids M/s Centre for Environment Education (CEE) may be awarded this job.

Placed for kind information and approval.

If approved, the work order may be issued to M/s Centre for Environment Education (CEE).

Sub: Proposal for providing fund to 125 ULBs for the weeklong awareness campaign on solid waste management scheduled from 14.03.2020 to 21.03.2020.

It may kindly be recalled that the Principal Secretary, UD&MA Department vide No. 07-Pr.Secy./UD&MA/2020/SUDA-608/2019 dated 05.03.2020 (placed at **Flag-X**) requested all the ULBs to organized a weeklong awareness campaign from 14.03.2020 to 21.03.2020 where they would mobilize citizens on a large scale and make them aware and conscious about waste segregation and its overall management involving Self Help Groups under NULM.

Now, for conducting this awareness campaign as per schedule enclosed with the above mentioned letter, the ULBs are requesting to provide fund for printing of IEC materials and conducting other IEC/ Public Awareness activities.

Hence it is being proposed that following funds may be allotted to the 125 ULBs for this purpose subject to submission of utilization certificate for earlier release in IEC/ Public Awareness:

1. Per ward Rs.10,000/- may be allotted to 124 ULBs.
2. A lumpsum of Rs.20 lakh may be allotted to Kolkata MC

As it is a joint programme of MNB(U) and NULM, it is being proposed that the IEC/ Public Awareness fund of both the programme may be utilized for this purpose, as required.

Placed for kind information and approval.

If approved, details of total fund requirement of Rs.2,99,40,000/- (Rupees two crore ninety nine lakh forty thousand only) is placed in the table below:

Sujay 13.3.20
(Sujay Mitra)

Chief Manager-Planning & Monitoring

Director

Pl. examine and comment.

13.03.2020.

DD(AD)

Initially 28 Model or Cluster Cities including NDITA & NKDA were allotted @of Rs.25000/- per wards for Generation of Public awareness and IEC activities on SWM. Total expenditure incurred in this regards was to the tune of Rs. 2.34 Crore. (NSP-1&2).

Again 99 ULBs were awarded @ Rs. 25000/- per wards totaling Rs. 5.10 Crore for IEC Activities on Solid waste Management (NSP-16-20).

Now since an appeal has been made by the Principal Secretary, UD & MA Deptt. vide No.07-Pr.secy./UD&MA/2020/SUDA-608/2019. Dated:05/03/2020 requesting all the 125ULBs to organise a week long awareness Campaign from 14/03/2020 to 21/03/2020 with a view to mobilize citizen regarding necessity and modality on segregation of waste at source involving the existing conservancy workers and Self-Help Groups under NULM, we may release fund @ Rs.10000/- per ward for each of 124ULBs and for KMC lump-sum amount of Rs.20Lakh to effectively run the week-long Campaign.

At the same time it is to mention here that since we are yet to receive U.C for the allotment already made from this end to the ULBs initially, we may release the fund to the ULBs meant for the week-long Campaign Programme only on receipt of U.C of the previous allotment.

We may Utilize the fund of SBM (U) under IEC Component to meet up the scale of requirement and for the remaining one we may seek for fund out of NULM as this Campaign will be propagated by the SHG at grass root level

16/3/20

Director
SUDA

Pl. keep it ready for a while.
