Considering Directive from Hon'ble NGT wherein the East Kolkata Wet Land Authority and BMC is to take up the work of protective fencing along the Mollar Bhai within 15/06/19, Municipal Commission BMC made a correspondence with the Chief Environment Officer, Govt of West Bengal, Deptt of Environment where it was mentioned that BMC doesn't have financial solvency to take up the huge work on its own and sought for assistance from the Govt.

As such, we may take it up with the BMC to prepare a DPR for execution of the same and sought for fund to the Deptt as our SWM fund perhaps could not be earmarked for construction of boundary wall.
Placed for kind perusal.
