

Resolutions and proceeding of the 2nd Meeting of Task Force Committee for Solid Waste Management at State Urban Development Agency

Date: 22nd July 2019

Time: 3:00 PM

Venue: Chamber of Director, SUDA
ILGUS Bhavan, HC Block, Salk Lake
Kolkata – 700 106

Members present in the Meeting:

1. Smt. Debarati Datta Gupta, WBCS (Exec.), Director, SUDA, UD & MA Department, Govt. of West Bengal
2. Sri. Santanu Mukherjee, WBCS (Exec.), Jt. Secretary, UD & MA Department, Govt. of West Bengal and Additional State Mission Director, SBM(U)
3. Prof. Dr. Arunabha Majumder, Ex. Professor, All India Institute of Hygiene & Public Health (AIIPH) and Emeritus Professor, Jadavpur University
4. Dr. Tapas Kumar Gupta, Chief Engineer, Waste Management Cell, West Bengal Pollution Control Board (WBPCB)
5. Sri. Kalyan Roy Chowdhury, Addl. Chief Engineer (South), Municipal Engineering Directorate
6. Sri. Bijay Krishna Pal, Executive Engineer (Civil), Solid Waste Management Cell, SUDA

Others present in the Meeting:

1. Dr. SujayMitra, Chief Manager – Planning & Monitoring, SUDA
2. Sri. DipakNaskar, Executive Engineer (Civil), SUDA
3. Sri. Chandan Das, Assistant Engineer (C), Solid Waste Management Cell, SUDA

The Director, State Urban Development Agency (SUDA) chaired the meeting. All the members & participants present in the meeting were welcomed.

The discussions in the meeting focused on :

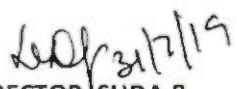

- i) Finalisation of the Terms of References (ToRs) in connection with the Request for Proposal (RfP) to be floated for engagement of shortlisted Micro-Planning Organizations at ULB level for preparation of city specific plan on solid waste management keeping conformity with the Solid Waste Management Rules, 2016. and ii) Finalisation of specifications of different vehicles and equipment to be provided to ULBs for collection and transportation of waste.

Draft RfP to be floated and specification of the vehicles to be procured were placed before the members of the committee for scrutiny and analysis. After detailed discussion amongst the committee members, the following decisions were taken:

- For engagement of planner priority should be given to the i) model towns/cities, ii) Ganga towns and iii) towns located beside the polluted river stretches in the State. However financial rate would be obtained for all towns/cities through this RfP.
- Geographical location wise RfP would be floated for 4 zones. For each zone ward wise rate would be obtained.
- The scope of work in the present RfP would include city specific feasibility study, preparation of DPR, planning on IEC activities and execution of capacity building & training for different stake holders.

- A two year time line could be fixed against deliverables adopted in the scope of work. This time period is essentially needed for gradual and sustainable implementation of the work at the field level.
- It was primarily decided to go for procurement of only Tri-cycle van (with 8 nos. 40 Ltrs. Bins) and Battery Operated Tippers (3 wheelers with battery assisted hydraulic tipping compartmentalized covered container arrangement, as per Ministry of Road, Transport and Highways Notification G.S.R. 709 (E) and should be ARAI or ICAT approved) for door to door collection of waste at source for the smaller towns or for densely populated areas as these vehicles could comfortably move in the narrow lanes, brick roads or congested areas in the towns.
- In planned cities small fuel operated tippers (Compartmentalized and covered with a minm. Gross volume of 3.2m³ and should be ARAI or ICAT approved) could be provided for collection of waste at door steps or it could be used at secondary collection points in various towns/cities.
- In addition to this, only Back-hoe Loaders would be provided to ULBs for using it only at Processing Plant and Engineered Landfill sites.
- For all these vehicles, it was decided to get the specifications vetted from the Transport Department of the Government of West Bengal, before initiation of bidding process on the Government e-Marketplace.

The meeting ended with thanks to and from the chair.

DIRECTOR, SUDA &
STATE MISSION DIRECTOR, SBM (U)

Generic

Type of Trailers	SEMI
Capacity of water tank (Liter)	5000
Net water carrying capacity (Liter)	3000 liter
Material used for fabrication of water tank	Steel of grade E-250BR conforming to IS: 2062 Latest
Thickness of the water tank plate (Min) (mm)	5 millimeter
Gross weight of water tank (Kg)	1000 kilogram
Overall length of Trailers (shall not exceed 5 m upto 6 tonne load, 6.7m for above 6 tonne load)	4.5 meter
Overall Width of Trailers between extreme points (meter)	1.5 meter

Overall Height of Trailers with tyre inflated from the supporting surface to top of platform (meter) 1.8 meter

Overall Height of Trailers with tyre inflated from the supporting surface to sideboard (meter) 1.8 meter

Ground Clearance (mm) 300 millimeter

Tipping Facility No

If Tipping facility then Provide the tipping Angle in Degree, if Not put NA (degree) 0

Reto Reflective Marking (tapes) as per AIS -090 Yes

Lighting and Lighting - signalling device as per AIS-062 Yes

Ladder provision on back side of tank Yes

Trailers shall be fitted with Rear Under Run Protective Device (RUPD) confirming to IS 14812 :2005 Yes

Trailers shall have service and parking brake as per AISD- 043 Yes

The tanker shall have the provision of one main delivery valve and three Taps (one on each side) Yes

The Trailers shall be fitted with pneumatics tyres and rims of suitable size confirming to IS 13154 :1991 and IS 10694 Yes

Certification

conformity to standards AISC 112 with latest amndmt.

ISI marked ISMC 175mm X 75mm or Better chanel used for fabrication of Chassis and frame mounting on chassis Yes

Necessary clearance from RTO for design of water tanker to be obtain before supply of Trailer Yes

RTO approval Number and date MH40BB56/2011

Avaliability of Test report fron approved Laboratory to prove conforming to specification as per AIS 043 Yes

Test report No And date 7504

Name of the testing Laboratory V.J.T.I. Mumbai

Availability of NSIC registration certificate for water tanker yes

Certificate no and date udyog adhar

Performance

Warranty (in months) 60

Construction Parameters

Type of suspension system spring

Diameter of the Axle of chassis (Min) (mm) 100 millimeter

Nos. Of spring leaves plates fitted (Nos.) 17

Lashing hooks for towing down load Yes

No of Hooks 1

Type of Towing Device hook

Capacity of Towing (Tonne) 5 tonne

Painted Colour on the Trailers as per IS 112 Red

Painting on inter side of the tank as approved by the buyer Yes

Painting on outer side of the tank as approved by the buyer Yes

To
The Director, SUDA
"ILGUS BHAVAN",
H-C Block, Sector- III,
Bidhannagar, Kolkata – 700106

Sir,

I am to inform you that for smooth running the conservancy department and to collect the day to day waste from the different Wards of this Municipality, the necessary undernoted articles are urgently required regarding the same..

Description of the articles :-

- 1) JCB – Payholoder Machine- 1 Pc.
- 2) Tractor – 2 Pcs.
- 3) Trolly – 2 Pcs.
- 4) Cesspool (Big) – 1 Pcs.
- 5) Toto Van – 17 nos
- 6) Door to Door Collection Bucket in Two Colours - 17,000 +17,000 nos

I am, therefore, to request you, kindly to take an appropriate steps ,so that we may get the above noted articles as early as possible otherwise, we have to face a lot of problem for running the Day to Day Cleaning work of the conservancy department of this Municipality.

Hope you will be kind enough to extend your possible help in this regard and for which I shall ever remain grateful to you.

Thanking you,

Yours faithfully

Chairman
Baruipur Municipality

OFFICE OF THE

GUSKARA MUNICIPALITY

P.O.-Guskara, Dist.-Burdwan, PIN-713128, W.B.

ESTD : 1988

Dated, Guskara, the ...05...03...19.....

Memo No. 254/GM

To,
The Director,
SUDA, West Bengal.
ILGUS Bhavan, Sector-III
Bidhannagar, Kolkata-700 016.

EB (RKP)
ADP

Sub – Requirement of Solid Waste Management
Equipments and Vehicles.

#

Madam,

In reference to the subject cited above I am to inform you that the SUDA has already allotted 01 no small garbage Tipper of 2.2 Cum. capacity and 01 no Dumper of 10 Cum. capacity on 16 Ton GVW truck chasis for the use of Guskara Municipality.

But it is felt necessary that the following equipments and vehicles are urgently required for the Solid Waste Management under Guskara Municipality. But, at present we have no fund for the particular purpose.

The requirement are narrated below :-

- 1. Small garbage hydraulic Tipper of 2.2 Cum. capacity – 02 Nos. ✓
- 2. Tractor (Heavy duty) with hydraulic Tractor – 01 No. ✓
- 3. E-Rickshaw with covered garbage container (TOTO) – 03 Nos. ✓
- 4. Mini Cesspool Cleaner (Carrying by Tractor) – 01 No. ✓
- 5. **J C B Earth Mover** for loading of garbages on newly allotted dumper by SUDA as well as cleaning and dressing of Municipal dumping ground. – 01 No. ✓
- 6. Tri Cycle Van – 26 Nos. ✓
- 7. SWM PVC wheeled Waste Bin 120 Lts./240 Ltrs. – 160 Nos. ✓
- 8. Gum Boot- (Large/Medium) – 200 Pairs. ✓
- 9. Coconut brooms with Handle for Road Sweeping – 300 Nos. ✓
- 10. Dhama/Bucket for loading of garbage etc. – 200 Nos. ✓
- 11. Uniform for Safai Workers – 200 Nos. ✓

Sub:-Requisition for Vehicle & other Materials for SWM.

Respect Madam,

Kindly recall the discussion held on Last-14.03.2019 regarding Action Taken Report for prevention of Ganga for pollution, it was instructed to submit the Requisition for required Vehicle for discharging SWM smoothly within the Municipal area.

So, in Concurrence with the discussions of the said meeting the following Vehicles & Materials are needed by this Office on urgent basis for SWM purpose.

Sl No	Name of Articles	Nos.
01.	JCB Machine	01
02.	Succession Machine (Drain Cleaner)	01
03.	Tricycle Van with 06 Nos.	30
04.	Battery Operated Cart/ Auto Tripper	10
05.	Refused Trailer toed by Tractor	04
06.	Tractor 50 HP	04
07.	Cesspool Emptier	01
08.	House hold Bins for Biodigiable/non Biodegradable waste for 30000 houses within the Municipal Area	60000 (2X30000)

This may be mentioned here that 01 (One) Hydraulic Dumper Truck as received from your Office recently, could not be operated due to non availability of JCB Machine.

Kindly note, that the requisition for the same was placed earlier vide this Office E-Mail/ correspondence Dated 05.06.2018, but the materials have not yet been received for which this office is facing a lot for discharging SWM.

Therefore, I would request you to kindly arrange for supply of the same at the earliest

Thanking You

Yours faithfully

Executive Officer

Sub: - Request for providing bins, equipments vehicles, besides fund for organising IEC

Sir/Madam,

In pursuant to the discussion held at a meeting held with you on 24th April, 2019 Conference Hall, ILGUS where the representatives of M/S 'Ernst & Young were remained present, I am appending below, the details of the IEC programme proposed to be organised by this ULB, besides requirement of Bins and equipments vehicles etc and to request you kindly to accord necessary allotment of the equipments and vehicles alongwith the required fund for organising IEC awareness.

May I mention that you were requested vide this office Memo No 861/IX dt 1.8.2018 copy of which is enclosed for your ready reference in which you were requested to allot the Bins and equipments vehicles etc.

You are therefore requested to be kind enough and accord us necessary approval as sough for.

I would therefore like to request you kindly to accord sanction of fund of Rs 15 lakh (Fifteen Lakh) to meet the cost of details of IEC programme proposed to be organised.

- Organising of Road rally involving Ward Committee Members, SHG, and Stake-holders in all the 23 nos of Wards.
- Installation of holding and fixing of Banners in all the main roads of the wards.
- Organisation of Street- Drama in different wards.
- Postring and wide publicity through local cable T.V.
- Organisation of Meeting involving the Members of SHG.
- Wide Mike-Publicity etc.

With thanks,

Yours faithfully

Sub:- Request to provide us new Machineries for up-keeping our service facility.

Sir,

In connection with the above stated subject, we would like to inform you that Kalyani Municipality is one of the planned township in India. In recent years due to establishment of new Educational Institutions, Hospitals and Business Opportunities there has been a huge influx of people in to Kalyani Municipality. This increase in population has posed a great challenge to us in maintaining highest standard of public service in Sanitation, Water Supply and Sewerage etc.

In light of the above we need better mechanized service with latest equipments to meet the growing demand for public service, as such a list of Machineries to be required enclosed for your necessary reference.

As such we will be highly grateful if we could kindly provide us as per list enclosed.
This is for your kind perusal and necessary action please.

Yours faithfully

Enclosed: i) List of Equipments

Sub:- Regarding sanction of 2 (two) Nos. cesspool in favour of this Municipality for greater public interest.

Respected Sir,

I, on behalf of the citizens of Dhupguri Municipality & its adjoining areas, would like to state that for want of any cesspool in the surrounding areas of this Municipality, public in general of this area including the adjoining areas have been suffering a lot of problems for long. However, cesspools although are available in Jalpaiguri, Siliguri & other towns, but it takes atleast 20 to 30 days to reach in the respective houses of the applicants and can't receive the same at times & emergency hours.

As a result of which the different wings & the associations had approached us & submitted their deputations urging requesting to make immediate necessary arrangement for at least 2 (two) Nos. cesspools for greater public interest of Dhupguri town & its adjoining areas.

Under the above circumstances & for greater public interest, I would fervently request you to kindly consider it favorably & make necessary arrangement for the sanction & approval of 2 (Two) Nos. of cesspools in favour of this Municipality on special ground at the earliest.

With kind regards,

Yours faithfully,

Sub.: Requirement of Cleaning Equipments in Swachh Bharat Mission Abhiyan.

Sir,

This is to draw your kind attention that in modern civilized society, cleanliness is the part & parcel & very essential in every pros & cons of life. Swachh Bharat Mission Abhiyan programme is one of the benchmark of Government. In our Municipal jurisdiction we are also trying our heart & soul to make it as a garbage free zone as the part of cleanliness & the local people are also extending their co-operation in our initiative as much they can. Owing to lacking in some cleaning equipments we are lagging behind a little bit but not in blocking condition rather we are still dynamic.

Requirement of cleaning equipments is very essential so we have mentioned this with quantity for Jiaganj & Azimganj (Separated by Bhagirathi) and no bridge between this two town.If you arrange an Roller for our extreme purpose as we have to move this equipment turning from a long route via Berhampore at Azimganj we will be much relieved from such inconveniences.

The Names of Equipments are as follows:-

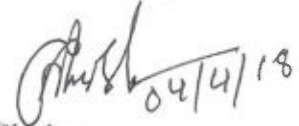

Sl. no	Name of Equipments	Quantity
01	Hand driven Trolley	90 Nos
02	Tractor with Trolley	06 Nos
03	Cess pool Emitter	02 Nos
04	Van	70 Nos
05	Dust Suction Machine	12 nos
06	Bush cutter Machine	10 nos
07	Dustbin	1000 Nos

08	Mosquito killer Canon	25 nos
09	Bucket	500 nos
10	Spade	150 nos
11	Dirty water suction Machine	30 nos
12	Portable Ladder	06 Nos
13	Grass cutter machine	25 nos

This is for your kind perusal

If you do the needful for those requirements at your earliest conveniences, I will be highly obliged

Thanking you
Yours faithfully,

Chairman

In connection with the above stated subject, we would like to inform you that Kalyani Municipality is one of the planned township in India. In recent years due to establishment of new Educational Institutions, Hospitals and Business Opportunities there has been a huge influx of people in to Kalyani Municipality. This increase in population has posed a great challenge to us in maintaining highest standard of public service in Sanitation, Water Supply and Sewerage etc.

In light of the above we need better mechanized service with latest equipments to meet the growing demand for public service, as such a list of Machineries to be required enclosed for your necessary reference.

As such we will be highly grateful if we could kindly provide us as per list enclosed.
This is for your kind perusal and necessary action please.

Yours faithfully

Enclosed: i) List of Equipments

LIST OF MACHINERY REQUIRED

SL	MACHINERY REQUIRED	DETAIL DESCRIPTION	QUANTITY AVAILABLE	QUANTITY REQUIRED	REMARKS
1	Mobile Refuse Compactor	14 Cum capacity on 16 ton chassis	2	5	For Collection, Transportation & disposal of Solid waste
2	3000 ltr Cesspool	3000 Ltr, trailer mounted, tractor towed with heavy duty vacuum pump	1	5	For septic tank cleaning job
3	Stationary Compactor with hook loader	10 cum compactor + 15 ton hook loader	1	3+1	Garbage collection & Transportation
4	Mobile Road Cleaning System	5000 ltr capacity on 11 ton Gvw Chassis with side brush & central brush	0	2	Regular Cleaning of Roads
5	Mobile Pothole Repair Machine with Infrared heater	1 Mtr X 2 Mtr Pothole Repair Machine with Infrared Heater on 11 Ton GVW Chassis with electric gas control	0	1	For Regular Road Maintenance and emergency repair
6	Mobile sewerage cleaning system	8000 ltr Capacity with Min 2500 cum Tri-lobe Vacuum Pump & 250 ltr/150 bar jetting Pump	1	1	Leaning of Sewer Lines & Drains
7	Mobile Toilet Trailer (Stainless Steel Plate Body)	Mobile Toilet Trailer with solar system (Stainless Steel Plate Body)	0	3	Program Purpose (Sati Mayar Mela, Central Parke Utsav, etc.)
8	Hydraulic Dumper Truck	5 cum capacity on truck chassis	1	1	Garbage transportation
9	Battery operated Tipper	Battery operated tipper with hydraulic	0	42	For door to door collection of garbage
10	Small Hydraulic Jetting cum Rodding cum Grabbing machine	1500 ltr Jetting with Power rodding & Grab on 5 ton GVW chassis	0	3	For Cleaning manholes, sewer lines, drains etc
11	Hydraulic Tractor	Tractors with hydraulic and 50-55 hp engine	2	5	For using different machines like cesspool, refuse trailer etc

BARANAGAR MUNICIPALITY

87, DESHBANDHU ROAD (East)
KOLKATA - 700035

Memo No: H/468

Date: 31.5.18

To,
Director SUDA, HB-305,
AB Rd, HC Block, Sector III,
Salt Lake City,
Kolkata, 700106

B.N. Kar
EMPM
156/100

Subject:- Requirement of SWM related vehicles
(Mini Cess pool.)

Sir,

We have the pleasure to announce that Baranagar Municipality is celebrating the glorious 150th Foundation year.

At this glorious period, we think, it the right place to mention that, in order to cater the effective service for better public interest, we need to add the following cesspools on the existing fleet.

Sl	Description	quantity
1	Mini cesspool, capacity 800(hundred)trs, mounted on four wheel small vehicles.	8

We are in a position to introduce Septage Management Project for the first time in West Bengal at Pramodnagar in Baranagar.

We now request you to allot us the 8 nos. Cesspools mentioned under description.

With thanks

(APARNA MOULIK)
Chairman

Memo No. : 1105 H.M/2019,

Date: 28.02.2019,

To
The Director of SUDA,
State Urban Development Agency,
ILGUS Bhaban, H.C Block, Sector-III
Bidhan Nagar,
Kolkata-700106.

Sub : Request to provide one ~~3000~~ 3000 Ltr. Capacity Cesspool emptier vehicle mounted to Haldia Municipality.

Sir,

I would like to say that Haldia Municipality is facing immense trouble to provide cesspool emptier vehicles to the public for clearing sewage from their septic tanks. With the rapid growth of this industrial town of Haldia Municipality the demand of Cesspool emptier is gradually mounting up which is not at all manageable with 2 nos. of small size cesspool emptiers now available in this Municipality.

To cope with this situation the Board of Councillor has decided to purchase a big size Cesspool emptier immediately. But Haldia Municipality is not in a position to acquire it from its own account due to paucity of municipal fund.

In view of the above I request to your august authority to provide a 3000 Ltr. Capacity Cess pool emptier vehicle mounted to Haldia Municipality for public utility service at the earliest.

Thanking you,

Yours faithfully

Chairman
Haldia Municipality

স্মারক / পত্রাঙ্ক নং Memo No. 295

তারিখ, তামলুক

Dated, Tamluk, The 15.5.2017

Sub: Sanction of fund for purchasing two Mahindra Diesel Tractors, one Cesspool and one Hydraulic Trailer for Conservancy Deptt. of Tamralipta Municipality.

Sir,

I would like to inform you that this municipality has four vehicles out of which two vehicles (i) 407 mini truck of 35 years old and (ii) Escort Tractor of 40 years old and one Cesspool of thirty years old are now in dilapidated condition and the conservancy deptt. of this municipality is suffering too much to carry the garbage's of the town from vat to trenching ground and to provide the service of the cesspool to the people of this town. As such the municipality requires one Tractor with Hydraulic Trailer and one Tractor with Cesspool, for smooth functioning of the Conservancy Deptt. of this municipality.

As per quotation of authorized dealer of Mahindra Automobiles, B.S. Tractors Pvt. Ltd., amounting Rs.- 19,60,089.00 (Rupees nineteen lakh sixty thousand eighty nine) only is required for purchasing two JIVO 240 Diesel Tractor, one Hydraulic Trailer and one Cesspool for this municipality.

I am therefore request you kindly to sanction the said amount for the purpose for better conservancy service to the people of this municipality as early as possible.

Thanking you,

Sri B.N. Kar, Addl Director, IIGUS
and AMD, Mission Nirmal Bangla

Yours faithfully,

(Sri R.N. Sen)
Chairman,

Tamralipta Municipality.

RAJPUR-SONARPUR MUNICIPALITY

Harinavi, 24 Parganas(South), Kolkata-148

Ph: 2477-9245, e-mail ID: rajpursonarpurmunicipality@gmail.com

33

Sl. No.	Description of vehicles	Qty.
1.	Trailor mounted Cesspool Emptier, Capacity : 1600 ltrs.	2 nos.
2.	Tractor for pulling Trailor mounted Cesspool Emptier, Capacity : 39 HP	2 nos.
3.	Vehicle mounted Cesspool Emptier, Capacity : 3000 ltrs., mounted on TATA 709 chassis model or equivalent.	2 nos.
4.	Suction cum Jetting Machine on vehicle mounted, Capacity : 7 ton, mounted on TATA 709 chassis or equivalent. The vehicle mounted combined unit having suction lift of 8 m.	2 nos.
5.	Carcass Van mounted on TATA DI 207 model or equivalent	1 no.

It may cost more than one and half core of rupees for purchasing of these vehicles. It is not possible for this ULB to bear such a big amount of money out of its own source. Therefore, it has been decided in the meeting of Board of Councilors of this ULB held on 25th January, 2019 that request will be sent to SUDA for providing these vehicles for the purpose of liquid as well as solid waste management of this Municipality. This ULB will operate and maintain these vehicles at its own source of income.

Therefore, you are requested to provide us the said vehicles so that we can run such emergency public amenities without any hindrance .

This proposal is placed for your kind perusal.

Hope that your good office will do the needful at the earliest.

Thank you.
