

Resolutions and proceeding of the 2nd Meeting of Task Force Committee for Solid Waste Management at State Urban Development Agency

Date: 22nd July 2019

Time: 3:00 PM

Venue: Chamber of Director, SUDA
ILGUS Bhavan, HC Block, Salk Lake
Kolkata – 700 106

Members present in the Meeting:

1. Smt. Debarati Datta Gupta, WBCS (Exec.), Director, SUDA, UD & MA Department, Govt. of West Bengal
2. Sri. Santanu Mukherjee, WBCS (Exec.), Jt. Secretary, UD & MA Department, Govt. of West Bengal and Additional State Mission Director, SBM(U)
3. Prof. Dr. Arunabha Majumder, Ex. Professor, All India Institute of Hygiene & Public Health (AIHPH) and Emeritus Professor, Jadavpur University
4. Dr. Tapas Kumar Gupta, Chief Engineer, Waste Management Cell, West Bengal Pollution Control Board (WBPCB)
5. Sri. Kalyan Roy Chowdhury, Addl. Chief Engineer (South), Municipal Engineering Directorate
6. Sri. Bijay Krishna Pal, Executive Engineer (Civil), Solid Waste Management Cell, SUDA

Others present in the Meeting:

1. Dr. SujayMitra, Chief Manager – Planning & Monitoring, SUDA
2. Sri. DipakNaskar, Executive Engineer (Civil), SUDA
3. Sri. Chandan Das, Assistant Engineer (C), Solid Waste Management Cell, SUDA

The Director, State Urban Development Agency (SUDA) chaired the meeting. All the members & participants present in the meeting were welcomed.

The discussions in the meeting focused on :

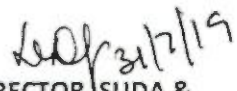

- i) Finalisation of the Terms of References (ToRs) in connection with the Request for Proposal (RfP) to be floated for engagement of shortlisted Micro-Planning Organizations at ULB level for preparation of city specific plan on solid waste management keeping conformity with the Solid Waste Management Rules, 2016. and ii) Finalisation of specifications of different vehicles and equipment to be provided to ULBs for collection and transportation of waste.

Draft RfP to be floated and specification of the vehicles to be procured were placed before the members of the committee for scrutiny and analysis. After detailed discussion amongst the committee members, the following decisions were taken:

- For engagement of planner priority should be given to the i) model towns/cities, ii) Ganga towns and iii) towns located beside the polluted river stretches in the State. However financial rate would be obtained for all towns/cities through this RfP.
- Geographical location wise RfP would be floated for 4 zones. For each zone ward wise rate would be obtained.
- The scope of work in the present RfP would include city specific feasibility study, preparation of DPR, planning on IEC activities and execution of capacity building & training for different stake holders.

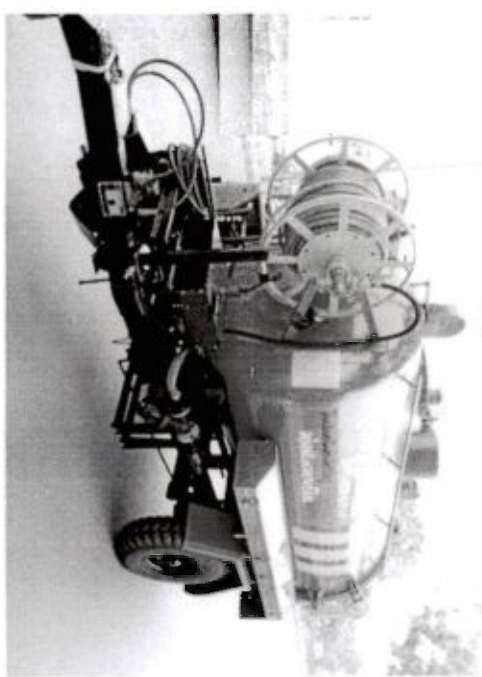

- A two year time line could be fixed against deliverables adopted in the scope of work. This time period is essentially needed for gradual and sustainable implementation of the work at the field level.
- It was primarily decided to go for procurement of only Tri-cycle van (with 8 nos. 40 Ltrs. Bins) and Battery Operated Tippers (3 wheelers with battery assisted hydraulic tipping compartmentalized covered container arrangement, as per Ministry of Road, Transport and Highways Notification G.S.R. 709 (E) and should be ARAI or ICAT approved) for door to door collection of waste at source for the smaller towns or for densely populated areas as these vehicles could comfortably move in the narrow lanes, brick roads or congested areas in the towns.
- In planned cities small fuel operated tippers (Compartmentalized and covered with a minm. Gross volume of 3.2m³ and should be ARAI or ICAT approved) could be provided for collection of waste at door steps or it could be used at secondary collection points in various towns/cities.
- In addition to this, only Back-hoe Loaders would be provided to ULBs for using it only at Processing Plant and Engineered Landfill sites.
- For all these vehicles, it was decided to get the specifications vetted from the Transport Department of the Government of West Bengal, before initiation of bidding process on the Government e-Marketplace.

The meeting ended with thanks to and from the chair.

DIRECTOR, SUDA &
STATE MISSION DIRECTOR, SBM (U)

Report
This
Product

GVW of Trailer	:	5500 kilogram
Wheel base	:	4545 millimeter
Payload capacity of trailer	:	3500 kilogram
Capacity of split shaft PTO (Kgm)	:	200
Overall Length	:	6030 millimeter
Overall Width	:	1900 millimeter
Equipment Length	:	4760 millimeter
Equipment Height	:	1900 millimeter

[VIEW MORE](#)

Certification

Trailer confirming to IS 8213:2000 (latest) and AIS 112 (latest) Yes

Conforming to IS:13496 for Suction Machine for cleaning Sewers, Manholes and ancillary structures provided on sewer line and closed storm water drains Yes

Conforming to IS:11387 for high pressure jetting machine for sewer cleaning Yes

Necessary clearance from RTO to be obtain before supply of Trailer mounted Suction cum Jetting Machine Yes

Form 22 A - For compliance with pollution standards, safety standards of components and road worthiness as per CMVR Rules Yes

Availability of test reports for all critical components from the manufacturer or OEM of Jetting Pumps, vacuum pumps, power takeoff unit, Jetting Hose etc shall be from any ILAC /NABL accredited / Central Govt Lab To be furnished to buyers on demand Yes

Availiability of Test report fron approved Laboratory to prove conforming to specification as per AIS 112 for trailers to be furnished to buyer on demand Yes

Generic Parameters

Type of Trailer mounted machines Suction cum jetting

GVW of Trailer 5500 kilogram

Wheel base 4545 millimeter

Payload capacity of trailer 3500 kilogram

Make and Model of Vacuum Pump JUROP OR EQUIVALENT

Make and Model of Jetting Pump PRATISSOLI OR EQVLNT

Make and Model of Jetting Hose IMPORTED MAKE

Make and Model of PTO	Maniar or equiv.
Make and Model of Hydraulic Motor	M+S or equivalent
Make and Model of Hydraulic Pump	Boss or Equivalent
Make and Model of Suction Hose	Dutron or Equivalent
Make and Model of Jetting Nose	Maniar or Equivalent
Mount Type	Tractor Trailer mounted

Constructional Parameters

Capacity of split shaft PTO (Kgm)	200
Overall Length	6030 millimeter
Overall Width	1900 millimeter
Equipment Length	4760 millimeter
Equipment Height	1900 millimeter
Equipment Rear Over Hang	Yes
If Yes, Declare Equipment Rear Over Hang	1480 millimeter
Derrick Arm Available	No
Vacuum Pump - Rotary Vane / Sliding Vane	Yes
Vacuum Pump Flow (Cu-m/hr)	216
Vacuum Pump Power	6 horsepower

Rated RPM at Max Vacuum Pump Power	540
Vacuum Relief Valve Size	1.5 inch
Vacuum Suction Depth (as per IS:13496 latest)	8 meter
Suction Hose - Lightweight, heavy duty ,reinforced ,PVC along with quick connect coupling arrangement	Yes
Suction Hose Internal Diameter (as per IS:13946 latest)	75 millimeter
Suction Hose Length	3 meter
Number of Suction Hose (Nos)	5
Safety Equipments	mask, gloves
Silencer/ Filter(Micro Strainer)	Yes
Exhaust Silencer and injection cooling air Inlet Silencer/ Filter	Yes
Blower Outlet and Air-Exhaust Silencer	Yes
Check valve	Yes
Vacuum Limitation Valve	Yes
Drain Off valve	Yes
High Pressure Jetting Pump With pressure regulating Arrangement	Yes
Jetting Pump - Triplex plunger reciprocating pump	Yes

Working Pressure Range of Jetting Pump	140 bar
Water Flow for Pump of Jetting Machine (LPM)	220
Pressure Relief Valve Size	1.5 inch
Jetting hose inner Diameter (Capable of withstanding one point five times the maximum pressure generated by the pump)	25 millimeter
Jetting Hose Length	60 meter
Number of Nozzles for removing Blockage (Conical Head)	1
Number of Nozzles for Flushing Sewer lines(Round Head)	1
Number of balanced Nozzles for dry silt	1
Total Tank Capacity (sludge tank+water tank)	3000 liter
Water storage Tank Capacity	1500 liter
Sludge Storage Tank capacity	1500 liter
Maximum working pressure of Jetting Hose	175 bar
Minimum Burst pressure of Jetting Hose	438 bar
Thickness of tank plate (It shall be designed at a safety factor of 4 times the operating pressure)as per IS 13496	5 millimeter

Material of tank Mild Steel (Grade-A) Confirming to IS 2062 latest

Surface preparation and finish of tank's Exterior - sanded prior to spray painting and spray painted with two coats of superior quality anti corrosive primer and two coats of enamel metal paint Yes

Surface preparation and finish of Tank's Interior - clean water two coats anti corrosive primer & two coats of grey enamel paint & Sludge shall be with two coats of epoxy paint to resist corrosion Yes

Provision for locking and unlocking arrangement of rear gate of tank, to be operated hydraulically for quick tipping and cleaning Yes

Hose Reel Drive operated by hydraulic motor Yes

Dished Head Yes

Tank Rear Door Opening by hydraulic system Yes

Reinforcement rings in pipes Yes

Hydraulic Pump Type Gear Type

Water Level Indicator Type (with safety coverage) ACRYLIC TYPE

Water Level Indicator Nos 2

Thickness of Cover for Engine, Pump and Hose 3 millimeter

Material of Cover for Engine, Pump and Hose Reel compartment	MS Sheet
Full bore Quick Acting Valves in the sewage path	Yes
Air Pumps to safeguard the pump from overloading	Yes
Make and Model of Air Pump	Jurop or Equivalent
Sludge Trap between the Air Pump and the Tank	Yes
Float cut out valve to seal the pump suction line	Yes
Lubricating system for reducing friction loss	Yes
Three sewer cleaning nozzles with varying rearward angles	Yes
One nozzle extension for easy fixing of the hose and the nozzle	Yes
Two stop tank strainer elements	Yes
Two sets of operation and service manuals and spare parts lists	Yes
Hose guide	Yes
Counter	Yes

Performance Parameters

Warranty Time 24 month

Warranty Distance 5000 kilometer

No of Free Service (with consumable) 6

Sub:-Requisition for Vehicle & other Materials for SWM.

Respect Madam,

Kindly recall the discussion held on Last-14.03.2019 regarding Action Taken Report for prevention of Ganga for pollution, it was instructed to submit the Requisition for required Vehicle for discharging SWM smoothly within the Municipal area.

So, in Concurrence with the discussions of the said meeting the following Vehicles & Materials are needed by this Office on urgent basis for SWM purpose.

SI No	Name of Articles	Nos.
01.	JCB Machine	01
02.	Succession Machine (Drain Cleaner)	01
03.	Tricycle Van with 06 Nos.	30
04.	Battery Operated Cart/ Auto Tripper	10
05.	Refused Trailer toed by Tractor	04
06.	Tractor 50 HP	04
07.	Cesspool Emptier	01
08.	House hold Bins for Biodigible/non Biodegradable waste for 30000 houses within the Municipal Area	60000 (2X30000)

This may be mentioned here that 01 (One) Hydraulic Dumper Truck as received from your Office recently, could not be operated due to non availability of JCB Machine.

Kindly note, that the requisition for the same was placed earlier vide this Office E-Mail/ correspondence Dated 05.06.2018, but the materials have not yet been received for which this office is facing a lot for discharging SWM.

Therefore, I would request you to kindly arrange for supply of the same at the earliest

Thanking You

Yours faithfully

Sub: - Request for providing bins, equipments vehicles, besides fund for organising IEC

Sir/Madam,

In pursuant to the discussion held at a meeting held with you on 24th April, 2019 Conference Hall, ILGUS where the representatives of M/S 'Ernst & Young' were remained present, I am appending below, the details of the IEC programme proposed to be organised by this ULB, besides requirement of Bins and equipments vehicles etc and to request you kindly to accord necessary allotment of the equipments and vehicles alongwith the required fund for organising IEC awareness.

May I mention that you were requested vide this office Memo No 861/IX dt 1.8.2018 copy of which is enclosed for your ready reference in which you were requested to allot the Bins and equipments vehicles etc.

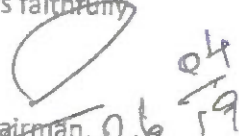

You are therefore requested to be kind enough and accord us necessary approval as sought for.

I would therefore like to request you kindly to accord sanction of fund of Rs 15 lakh (Fifteen Lakh) to meet the cost of details of IEC programme proposed to be organised.

- Organising of Road rally involving Ward Committee Members, SHG, and Stake-holders in all the 23 nos of Wards.
- Installation of holding and fixing of Banners in all the main roads of the wards.
- Organisation of Street- Drama in different wards.
- Pestering and wide publicity through local cable T.V.
- Organisation of Meeting involving the Members of SHG.
- Wide Mike-Publicity etc.

With thanks,

Yours faithfully

BERHAMPORE MUNICIPALITY

BERHAMPORE * MURSHIDABAD * WEST BENGAL

Memo No. 7/15/En/2019/Bm.

From :

The Director, Date 19/07/19
State Urban Development Agency
"ILGUS BHAWAN" H.C. Block,
Sector-III; Bidhamagar; Kolkata-106

EE (BKP)

Sri. C. Das, AE

Please ask for justification & examine whether the equipment/vehicles are Sir, really required or not.

Sub.:- Required for primary /secondary collection of equipments, vehicle etc.

Ref.:- E-mail from SUDA on 12-06-2019.

26/6/19

In response to the E-mail required on 12-06-2019 regarding requirement for primary/secondary collection of equipment, vehicle etc. for solid waste management of Berhampore Municipality, I am submitting the list of needy things for solid waste management of Berhampore Municipality at your end.

Thereby I request you to take necessary action.

Thanking you

We had supplied 2 fuel driven tipper of 2.2m³ capacity. They didn't mention it. Why?

Yours faithfully

Sub.: Requirement of Cleaning Equipments specifically viz. “Drain cleaning & Suction-cum-Jetting Machine (2 Nos)” in Swachh Bharat Mission Abhiyan.

Sir,

This is to draw your kind attention that in modern civilized society, cleanliness is the part & parcel & very essential in every pros & cons of life. Swachh Bharat Mission Abhiyan programme is one of the benchmark of Government. In our Municipal jurisdiction we are also trying our heart & soul to make it as a garbage free zone as the part of cleanliness & the local people are also extending their co-operation in our initiative as much they can. Owing to lacking in some cleaning equipments we are lagging behind a little bit but not in blocking condition rather we are still dynamic.

Requirement of cleaning equipments is: ‘Drain cleaning & Suction-cum-Jetting machine (02 Nos)’. This is very essential so we have mentioned this with specific quantity for Jiaganj & Azimganj (Separated by Bhagirathi river) and no bridge exist between this two towns.

This is for your kind perusal.

If you do the needful for such requirement at your earliest conveniences, I will be highly obliged.

Thanking you

Yours faithfully

(Signature)

Memo No. NDDM/PW/ 3525

Date: 18.11.16

To
The Director, SUDA &
State Mission Director, SBM (U)
ILGUS BHAVAN, HC - Block,
Sector - III, Bidhan Nagar,
Kolkata - 700106

Sub : Supply of some instruments for augmentation of existing Solid Waste Management system of this Municipality.

Ref : Meeting on 17.11.2016 at SUDA Conference Hall.

Sir,

This is to bring your kind notice that the Municipality trying their best to cope up with the problem of Solid Waste Management with the existing facilities available to this Municipality. In the recent past, supply of two nos. of Movable Compactor, one small Movable Compactor, one Stationery Compactor from your department provided much help to this activities. Further six nos. of Battery operated Toto Type Solid Waste Collector Van will be helpful to this Municipality. However, for fruitful / effective management of the Solid Waste of this Municipality, at least supply of the following instruments will be helpful in this regard :-

SL.NO.	NAME OF THE INSTRUMENT	QUANTITY
1.	Dumper	5 Nos.
2.	Small Movable Compactor	1 No.
3.	Pock land Machine	1 No.
4.	Suction as well as Jetting Machine	1 No.
5.	Battery operated Toto Type Van	5 Nos.

Your kind earliest action towards sanction of at least the above machineries will be helpful to this Municipality to execute the work in the interest of the maintaining proper cleanliness within Municipal area.

Thanking you,

Yours faithfully,

Chairman

Respected Sir,

With reference to the above, I am to draw your attention to the fact that "Storm Water Drainage System" is being executed within this ULB by the KMDA, implementing agency of the whole project. During execution, all drains are being covered with RCC Slab & manhole Cover. Existing drains on both sides of different roads are being connected to the new drains. As a result, the drains are carrying huge quantity of wastes & Plastic materials which is being the cause of silting in beds of those constructed drains. As a result, depths of those drains are decreasing rapidly. It is not possible to remove the deposited silt and waste materials manually. Only mechanical process can be applied for this purpose. Suction Cum Jetting machine may be utilized for cleaning the waste.

Would you be kind enough to take necessary step so that one Suction cum Jetting machine is delivered to Naihati Municipality from your end.

~~_____~~

Thanking You,

Yours faithfully,

Ashok

RAJPUR-SONARPUR MUNICIPALITY

Harinavi, 24 Parganas(South), Kolkata-148

Ph: 2477-9245, e-mail ID: rajpursonarpurmunicipality@gmail.com

Sl. No.	Description of vehicles	Qty.
1.	Trailor mounted Cesspool Emptier, Capacity : 1600 ltrs.	2 nos.
2.	Tractor for pulling Trailor mounted Cesspool Emptier, Capacity : 39 HP	2 nos.
3.	Vehicle mounted Cesspool Emptier, Capacity : 3000 ltrs., mounted on TATA 709 chassis model or equivalent.	2 nos.
4.	Suction cum Jetting Machine on vehicle mounted, Capacity : 7 ton, mounted on TATA 709 chassis or equivalent. The vehicle mounted combined unit having suction lift of 8 m.	2 nos.
5.	Carcass Van mounted on TATA DI 207 model or equivalent	1 no.

It may cost more than one and half core of rupees for purchasing of these vehicles. It is not possible for this ULB to bear such a big amount of money out of its own source. Therefore, it has been decided in the meeting of Board of Councilors of this ULB held on 25th January, 2019 that request will be sent to SUDA for providing these vehicles for the purpose of liquid as well as solid waste management of this Municipality. This ULB will operate and maintain these vehicles at its own source of income.

Therefore, you are requested to provide us the said vehicles so that we can run such emergency public amenities without any hindrance .

This proposal is placed for your kind perusal.

Hope that your good office will do the needful at the earliest.

Thank you.
