24/07/19

SUDA have been receiving the SNM equipment and vehicle proposals from different ULBs, time to time. Now, to comply with SNM Rules 2016, ULBs are requiring different kinds of vehicles & equipments, which may be provided centrally from SUDA, to strengthen the ULBs in managing Solid Waste within their municipal area.

Note prepage, the requirement of Road sweeping machine, as obtained from different ULBs, is tabulated. We may propose a total of 27 nos. Road Sweeping machines, to be procured from GEM portal, in 1<sup>st</sup> Phase. Fund for procurement of the vehicle is available in SBM fund of SUDA.

The procurement proposals is placed in this file for kind approval.

Submitted.
