NOTE

A comprehensive policy for re-use of treated waste water needs to be framed by the State Government. Several states have already framed such policy like Karnataka, Gujrat, Haryana etc. Now, for formation of the draft policy, an internal committee in UD & MA Department needs to be constituted which may submit its draft within a specific time frame. As this policy formation is to be reported to National Green Tribunal subsequently, this issue is of extreme importance. The committee may consist the following officers:

1. Smt. ^{Li Debarati} ~~Debarati~~ Dutta Gupta, Director, SUDA
2. Shri Sanjay Mukhopadhyay, Joint Secretary, KMDA
3. Shri Santanu Mukherjee, Joint Secretary, UD & MA Department
4. Shri Badri Narayan Kar, Additional Director, ILGUS and Ex-officio Joint Secretary, UD & MA Department
5. Shri Santanu Das, Joint Secretary, UD & MA Department
6. Shri Biswajit Mukherjee, Chief Engineer-in-charge, Water Supply (GAP)
7. Shri Amitava Das, Deputy Director, SUDA
8. Shri Ujjwal Mukherjee, Chief Scientist, KMDA
9. Smt. Mahua Bhattacharyya, Environment Expert
10. Dr. Sujay Mitra, Poverty Expert Monitoring, SUDA

After due formation of committee it may meet immediately so that deliberations may take place and draft policy may be formulated.

Policy framed by Government of Gujrat is placed (CP side) for kind perusal.

Placed for kind approval.

Sub: Request for extension of time for submission of State Policy and Action Plan on re-use of treated waste water

Sri Prashant Gargava, Member Secretary, Central Pollution Control Board vide file No. A-14011/1/2015-Mon/ UPC-1/876 dated 12.04.2019 (Flag 'A') inform that Action Plan for utilization for treated sewage to be prepared by the all the States and Union Territories to be forwarded to CPCB before 26.02.2019 is still awaited from State of West Bengal, in this regard CPCB will file consolidated reply to Hon'ble NGT before 30.04.2019. And he has requested to submit the same by 20th April, 2019.

In this connection, it is to be mentioned that the State Government in UD&MA Department has constituted a Committee vide Notification No. 37-JS(SM)/UD&MA/2019 dated 16.04.2019 (Flag 'B') for formulation of a draft comprehensive policy for re-use of treated waste water. The first meeting of the committee was held on 17.04.2019, where it was discussed that a sizeable volume of works needs to be done before preparation of the policy and for this several responsibilities have been entrusted amongst the members to collect the documents. It was decided that the 1st draft may be placed before the committee after 6 weeks (29th May, 2019) and for reviewing the progress of work an internal review meeting of this committee will be held on 14th May, 2019. The proceeding of the meeting is placed at Flag 'C' as ready reference.

As collecting all the information, preparation of the policy and the action plan requires minimum two months, hence, it is being proposed that the Additional Chief Secretary, Environment Department, Government of West Bengal may be requested to take up the issue with appropriate authority for providing extension of the time period for submission of the policy and action plan up to 30th June, 2019.

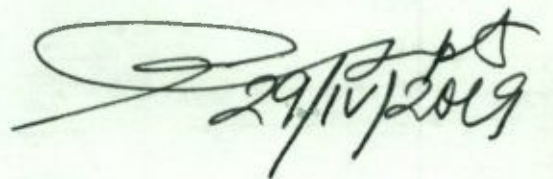

Placed for kind information and approval.

If approved, a draft letter is placed for kind approval.

Sub: Draft final of Treated Waste Water Re- Use policy of Urban West Bengal along with draft final action plan.

It may kindly be recalled that the draft policy has been communicated vide no-46-JS(SM)/UD & MA/2019/UD/00/2019/03675 dated-28.06.2019 (placed at **Flag-D**) to the principal Secretary, Environment Department for necessary action.

After that the Committee for formulation of draft comprehensive policy for re- use of treated Waste Water hold their meeting on 13.11.2019 (placed at **Flag-E**) for disquisition on draft policy and preparation of action plan.

In the meeting, Sri Ujjal Mukhopadhyaya, Chief Scientist, WBPCB submitted the comments of Central Pollution Control Board on the draft policy (placed at **Flag-F**), on which a threadbare discussion was held in the meeting.

On the basis of the discussion, the policy has been redrafted and an action plan has also been drafted, and communicated to all the committee members vide email dated 26.11.2019 (placed at **Flag-G**).

After that, on basis of the feedback received from Sanjoy Mukhopadhyaya, JS, KMDA, Sri Santanu Das, JS, UD & MA Department and Sri Ujjal Mukhopadhyaya, Chief Scientist, WBPCB (placed at **Flag-H, I & J**), the draft final of the policy and the action plan have been prepared and placed in the file at **Flag-K & L**.

X | Now, it is being proposed that the above mentioned policy and action plan may be forwarded to Environment Department for Technical vetting.

Placed for kind approval.
