

Livelihood opportunity for Inmates at SUH, Habra Municipality under DAY-NULM

Shelter at Habra Municipality under the scheme Shelter for Urban Homeless (SUH) under DAY-NULM provides a roof to the homeless people under this municipality area. All the homeless people are covered under this shelter unit and most of them are old age. Out of which some homeless persons begged in nearby Railway Station, Bus stand. Shelter Management Agency i.e. Purbachal Ananda Foundation rescued these homeless people and admitted in to the shelter. As these persons are old age therefore they are unable to do heavy work. SMA of Habra provides them an opportunity of livelihood. Training imparted by an NGO with collaboration of SMA for these old age inmates of shelter on Handicraft works. The finish product will be marketed by the concerned NGO. This initiative makes the homeless people happy and they are getting involved in livelihood activities. Few glimpses of this activity are given below:

Finished product made by inmates
