Sub : Sending proposal for approval of skill training under NULM

Sir,

1. You are aware that skill training to Urban poor and their placement in either self or wage employment is an important component under NULM.
2. You may also aware that in our state Skill Training Provider (STPs), the agency to import skill training to urban poor will be empanelled by Technical Education and Training Dept.
3. Process of empanelment of STPs by Technical Education and Training Dept is under process. Till the process is finalized skill training of urban poor is going with erstwhile SJSRY empanelled STPs and in already approved MES Course Module and rates.
4. Model code of conduct for Municipal General Election 2015 being in force during fag end of last financial year many of the ULBs may not get chance to send proposal for training to SUDA in time.
5. In this circumstances you are requested to send training proposal as per target communicated vide this office no SUDA-46/2014/334(63) dt. 05.04.2015 for first two quarter of current financial year in MES course module with existing empanelled STPs and rates by 31st July 2015.

SUDA

6. This is also to remind you that Third party certification and 50% placement of trained persons is mandatory for these training as per NULM Guideline.

Expecting your kind co-operation in this regard.
